

## Starch Co. To Begin Corn Syrup Experiment

May Result In New  
Processing Methods,  
Increased Employment

Union Starch & Refining Co. has signed a contract with a Danish engineering firm to enter into an experimental and development arrangement to test and evaluate a new method of making corn syrup here, it was announced Tuesday.

A pilot plant is to be constructed at the Union Starch main entrance on 19th street, and if successful in the large scale making of corn syrup is to result in the building of a complete new syrup refinery adjacent to the new pilot plant building and an increase in the present staff of 400 production workers.

John McBride, vice-president and general manager of the local plant said the pilot unit expected to be in operation by next July. A building permit already has been obtained from the city in the amount of \$18,000.

The experimental equipment is being manufactured in Denmark and Germany for shipment here.

**European Inspection Tour**  
E. J. Hunter, director of manufacturing for Union Starch, is spending several weeks in Europe last fall studying European methods of manufacturing corn syrup during his study made contact with the Karl Kroyer Co. of Aarhus, Denmark, an engineering and manufacturing company, which had invented a revolutionary method for making syrup from various starches such as corn, potato and tapioca.

Hunter's discussions with the Kroyer officials prompted a visit by Mr. Elmer Glent-Madsen, Kroyer's chief engineer to Granite City last June to study the local operations. He reported back to his company on the feasibility of Union Starch's carrying on this joint project.

In April, President Reed visited the European starch companies and the Kroyer Co., and plans were further developed. In August, Madsen returned to Granite City and spent three weeks completing contracts for the plant setup. During his stay, he assisted local plant engineers in determining the layout and made recommendations for the location and construction of the pilot plant.

The plant is being designed by Fruck & Associates, St. Louis, and actual construction will be started as soon as contracts are obtained. The building will be about three stories high and will be constructed of reinforced concrete with decorative brick, glass and color panels. The interior will be strictly utilitarian because of the experimental nature of the work. The hours will be open with flexibility to utilize the equipment in several ways.

**1st In Western Hemisphere**  
The Kroyer Co. has designed and installed 21 small plants using this new process in countries all over the world, but this will be the first in the western hemisphere. The local installation will be the largest type ever designed and the first model to be used for processing American grown corn. The system is known as the "Kroyer Process" and its feasibility on

## Zoning Proposal Discussed With Industry Groups

Recommendations for increased industrial site designations were made by industry representatives at a conference Monday with Madison county zoning and planning officials. Hearings on proposed county zoning adoption are to begin Oct. 24.

Held at the highway department office in the county courthouse at Edwardsville, the meeting was the second of three to be held by the groups. The first was on Sept. 18, and the last is planned within about two weeks, at which time decisions on the suggestions will be reported. The zoning ordinance and land use map shown to 16 representatives of large manufacturers in the Quad-City and Alton areas revealed the prime industrial sites adjacent to and north of the Chain of Rocks Canal. The harbor has been zoned for industrial purposes, except for their present usage, which could continue until ownership changes. While provision was made for industrial classification, consensus in the discussion was that the harbor should be extended width farther to the east than was shown. Listing of some proposed light industrial zones was also made. The zoning was also recommended.

**Importance Of Classification**  
It was noted that extension of county zoning and an appropriate classification often is the decisive factor in plant location choices. Where an industry has to enter a fight with the residents to acquire a tract of land, it usually does not make the attempt, the officials were told.

William B. Owen Jr. of Everet Kincaid and Associates, Chicago planning consultants, attended the meeting along with Thomas Butler of Alton, chairman of the County Zoning Commission; G. W. Hoelscher of Granite City, chairman of the Madison County Citizens' Planning Commission; Alton Mayor of Alton, chairman of the Zoning and Subdivision Control committee of the County Board of Supervisors; and Ogleby of Wood River, member of the committee.

Other planners included Donald Cairns, plant engineer of the Granite City plant; J. A. O'Smith, Corp. engineering staff; A. C. Guthrie of American Steel & Wire Co., Granite City; and J. H. Smith, manager of the Tri-Cities Chamber of Commerce.

**Hearings are being scheduled**  
for Oct. 24-Nov. 22 in the 22 townships having unincorporated sections. No hearings are planned in Alton and Granite City, which have co-extensive city and county zoning.

The Kincaid firm has made a study of the county and has aided in preparing the ordinance and revised plans for a 100-unit, million-dollar electric housing project and the proposed building to be available late in 1962.

**Man Hurt In 3-Car Crash In Tuesday Fog**

Police reported a three-car collision occurred at 7:45 a.m. on Tuesday fog Tuesday on 20th street at Cleveland Blvd. All three drivers escaped injury, but police officers said the driver of a 1961 Buick Wildcat, owned by William H. Griffith, 30, of 2001 Illinois avenue, was killed.

Police reported that Vada L. Culpen, 40, of 2456 Sheridan avenue, states she was driving south on Cleveland and was unable to see an eastbound car on 20th street by Grafford. The Culpen block of cars was struck by a Grafford vehicle, spinning it around and into the front end of a westbound car.

The Culpen woman was charged with failing to yield right-of-way. She posted her driver's license as bond.

## Advance UF Drive Report Assuring

Small Industry Group  
Worker Reports 25%  
Boost In Pledges

"The results of the initial solicitation is very encouraging," exclaimed Sidney L. Aubrey, Tri-Cities Area United Food general campaign chairman, "and it looks as if the campaign prospects are excellent. If every worker secures as fine results as the small industry section has to date, the success of the campaign is assured."

First returns for the Tri-Cities Area revealed a 25% increase over the amount collected from the same assigned prospects last year. The informal advance report was made at a luncheon yesterday at the Elks Club by Volunteer Worker George Mathews.

Mathews, a solicitor in the small industry section of the UF Division, is the first worker to complete and report on all of his assigned contacts. Although the drive doesn't officially start until Tuesday, Oct. 17, campaign workers have been meeting and planning their work since July.

Dale Arnette, small industry section leader, met with Mathews and Aubrey yesterday to compare the early returns. The UF Division is led by Co-chairmen G. W. Hoelscher and A. P. Steinhilber.

Arnette and Chester Beker also submitted partial returns yesterday bringing the total amount of money collected from small industry to \$2795. Arnette indicated that he and Beker had secured more contacts to make before their report is completed.

The industry Division's quota of \$22,000 is 40% of the campaign goal of \$29,463. The division is divided into six sections: large industry, small industry, utilities, contractors, transportation and outside area firms.

**Elderly Housing Units May Be Ready Late In '62**

Granite City Housing Authority board members expressed Tuesday evening their final approval of revised plans for a 100-unit, million-dollar elderly housing project and the proposed building to be available late in 1962.

Executive Director David Morgan reported during a regular meeting that only minor changes had been made in the preliminary specifications and blueprints, eliminating the need for resubmitting the plans to the city and Housing Authority's Chicago office.

"This should speed up the program," Morgan said, adding that he is conferring with the architects and engineers this week to prepare the final blueprints. The necessary changes to be forwarded to Chicago.

Morgan said the project design and layout were approved except for minor changes, and once the revisions are accepted, construction bids can be sought.

The development is to be located at the end of the 2800 block of Edwards street on a tract of the Udell Biochiff farm.

## GC Council To Broaden Powers Of Street Supt.

Mayor To Confer With  
Committee Chairman  
Before Commenting

Complete supervision of street department employees with authority to take disciplinary action when necessary to provide efficient and economical operation of the department was recommended Monday night by the Public Works committee and accepted by the Granite City Council.

Mayor Davis, who was out of town attending an Interstate Commerce Commission hearing on a railroad merger, had said he would abide by the committee recommendation, "which is for an amendment to the Municipal Code expanding the authority of the existing position, 'now and in the future.'"

However, the mayor said Wednesday he will reserve comment until after a conference with the chairman. "There are some things," he added.

In making the recommendation for the entire five-member committee, Chairman Samuel Whitner said the committee would endeavor in the near future to evaluate the Southern Illinois University grant and study recommendations pertaining to a proposed public works department to include the street and sanitation departments and "wherever practical, attempt to comply with the suggestions."

The recommendation was an anti-climatic to a politically-inspired dispute between the mayor and street superintendent which began late in August when Mayor Davis took over control of the street department.

The superintendent, who relinquished the control two weeks later and asked the city to study the department for a more economical and effective operation.

**Present Code**  
The amendment to the Municipal code pertaining to the street superintendent's powers and duties would be added to the present law, which reads:

"Duties: The superintendent of streets shall be charged with the duty of keeping the streets and alleys clean, free from obstructions and in good repair. He shall see that all street drains are free and unobstructed and shall perform such other duties as may be required by the city council."

"He shall report to the city council any ordinance violation with relation to the care or use of streets, alleys or sidewalks in the city of which he may become cognizant."

"He shall see that all sewers of the city are kept in good repair, free from obstructions and breaks and shall make all inspections necessary to enforce the ordinances relating to sewers."

## Checks Are Waiting 1960-61 Income Tax Refunds Available To 21 Quad-Cityans

Unclaimed income tax refund checks issued in the first eight months of this year and from 1960 are available for 21 persons.

Amounts of the refunds were not disclosed. Philpott said, "It is not necessary for the person to consult with the Internal Revenue Service, or engage the services of a locating or searching service or anyone else to obtain information on the checks. All that is needed is to contact the district director of Internal Revenue at Springfield and establish identity and right to receive the check. Social security cards alone will not establish identity."

Persons with 1961 checks available are:  
Ralph D. Craft, 2419 Grand avenue; Glen Construction Co., P.O. Box 68, Nameok Station; James E. Hicks, Rural Route One, Box 1348; Melvin M. and C. P. Jenner, 2417 Sunbury avenue; Raymond E. Jones, 2400 Merryville; Maryville road; James A. Martin, 2027 Cleveland Blvd.; Robert T. Murphy, 2444 Cleveland Blvd.; Bertha E. Neese, 517 Market Avenue; Lorin Oliver, 514 Grand avenue; J. W. and R. J. Ray, 2414 East 24th street; William C. Shipley, 115 Slough; W. L. and J. W. J. Street Jr. (no street address); and Melvin B. Wiley, 517 Webster, all listed as Granite Cityans.

N. and A. L. Gross (no street address), Madison; William E. Lehmann, 101 North Alton road; Sprinfield; and Mike Yurkovich, 1312 State street, Madison.

Refund checks for 1960 are available to:  
Claude L. Jr. and L. Robinson, 2540 Hennrich avenue; and Stephen James and P. L. Wright, 2424 (rear) State street, both of Granite City; and Frederick W. Brooks, 2020 Edwardsville road; N. E. and P. Holmes, 1651 Third street; and R. K. and H. P. Joe, 1616 Fourth street, all of Madison.

**Undergo Surgery**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Joseph Meyer, 809 North 1st street; J. W. and P. L. Wright, 2424 (rear) State street; Beauregard Belcher, 2808 1/2 East 27th street; Julia Reed, St. Louis; Gladys Cathey, 2022 Washington avenue; Shirley Robinson, 1728 Ferguson avenue.

## Mayor Proposes Layoffs, Halt Of City Projects

Police Dept. Move  
Soon, Mayor Tells  
Madison Council

The Madison police department may move into its new quarters this weekend, Mayor Stephen Maeras told the city council Tuesday night. He asked the purchasing committee to confer with Police Chief Barney Fraundorf and then seek bids for furnishings for the new offices.

The mayor said work on the new quarters had been completed by the section of city hall formerly housing the fire department, by means of a contract with a water pollution engineer, and said quick action will be necessary to move the police into the new quarters.

Some of the old furnishings are hardly worth the move across the hall," he remarked. The mayor invited council members to accompany him and Edward N. Juneau, consulting engineer, to a water pollution abatement meeting with the East Side Levee and Sanitary district at East St. Louis tonight.

**Old Plan Acceptable**  
He said Madison would have a new plan for the city hall, which was previously outlined by the levee district at a per-capita cost of \$25 cents. With some of the district's industry and cities not participating in the revised plan to be presented tonight, said, the cost may be higher.

Alderman Raymond Kozielek said that the city would be the kind of under discussion, (Continued on Page 3, Col. 4)

**Pastors Organize For Repeal Fight**  
A Madison County Ministerial Association was formed, in a meeting at Edwardsville yesterday, with the 61 participating ministers adopting a resolution to seek December repeal of the County Board of Supervisors' July extension of tavern hours.

Repeal would restore closing at 1 a.m. instead of 2:30 a.m. and 2 a.m. Sunday instead of 3:30 a.m. Sunday.

Nedding Methodist Church pastor, was elected chairman, and a. W. Williams, St. Charles, was elected secretary. The First Presbyterian Church of Madison was named secretary. No regular meetings were planned, with the group to be called together by the chairman whenever deemed advisable.

The local pastor appointed a committee of the presidents and social action chairman of 11 private ministerial groups to prepare information on tavern hours and their effect on preservation of law and order. The data will be distributed to 11 ministers for use on Sunday, Nov. 12.

**Trailers On Lots May Be Banned**  
A ban on future location of house trailers anywhere in the city other than a trailer camp was proposed during Monday night's Granite City council meeting, and the ordinance to amend the municipal code was placed on first reading.

Alderman Donald D. Partney, chairman of the council Plan committee, said the city recently was inspected by officials of the Federal Housing Administration, who commented "Granite City is practically a trailer city."

He added that the city, because of a prevalence of trailers, could be termed unsuitable for FHA loans. "We have 165 house trailers on lots not within trailer camps," he told the council.

The proposed amendment was opposed by four aldermen in the roll call vote for first reading. The amendment would permit the storage of one unoccupied trailer, such as a camping trailer, in a back yard or in a garage, but says they not to be used as living quarters or for business purposes.

The vote was 4-5 - Rufus LeMaster, Charles Meyer, Partney, Paul Rutledge, Samuel Whitner, Mrs. Gabrielle Bennett, Arthur Wier, Frank Cuvar and Fred Johnson. No vote was cast by Aldermen Samuel Shackelford and Edmund Bartosik.

## 30 GC Workers Would Be Involved In Cost Slashing Program

Three alternate proposals to cut city costs - layoffs for 30 of the city's 139 employees, a reduced work week for all employees or elimination of all capital expenditures and replacement of equipment for the remainder of the fiscal year - were presented to Granite City council members by Mayor Davis during a caucus session at the city hall last night.

Each with a \$150,000 to \$175,000 deficit and issuance of interest bearing tax anticipation notes before the April 30 year end, because of severe repair costs totaling over \$300,000, the 12 aldermen present endorsed a four-point measure to slash the economy program proposed by the mayor.

Further study of the entire program is to be made tonight by the Finance committee before the recommendations are presented to the council for action at the Oct. 16 meeting.

Objections were voiced by several aldermen for limiting favorite projects, but the emergency steps endorsed were:

**Clean program**  
Immediate halt of all city, sidewalk and street improvements other than those financed through motor fuel tax.

Deferment of purchase of new police motorcycles until next year.

Halt of all capital improvements or acquisition of capital equipment for all departments for the fiscal year.

Transfer of all available parking meter funds into general fund accounts for the year. The last financial report showed five accounts in the parking meter account.

Through layoffs for 30 employees, the mayor said about \$80,000 could be saved, plus an additional undetermined amount in operating expenses.

**Layoffs Proposed**  
"My suggestion is we temporarily terminate the employment of six men in the sanitation department, one janitor, three policemen, three firemen, the assistant city inspector, secretary for the clerk of the city court and a part-time employee now assisting in the counting of the parking meter funds," the mayor outlined.

"I realize the adoption of any of these solutions to our problem would be a decision in what we call a 'no-win' situation," he said. (Continued on Page 7, Col. 1)

## \$1440 Bills Ok'd For Yard Restoration

Expenditure of \$1440 to restore the yard at the home of Mr. and Mrs. Robert Margeson, 1355 Aubrey avenue, where extensive sewer repairs were carried out during the summer at a cost of \$44,325, was approved Monday night by Granite City council members.

Council Committee Chairman Paul Rutledge said \$964 will be paid an Edwardville nursery firm to replant shrubbery and trees and install sod, while \$476 will be paid to Margeson to repair his porch, house and outside light.

It was necessary to move heavy equipment and drive piling in the Margeson's back yard to repair the collapsed sewer line.

Discussing the payment, Alderman Donald Partney questioned the city's responsibility and the possibility of settling the bill by replacing trees and shrubbery, if they were on the sewer easement.

City Atty. William Beatty explained the line was installed by the East Side Levee & Sanitary District several years ago when the area was a field and not subdivided and that an error had been made in the location of the easement, placing it in the back yards of houses along Aubrey avenue.

An effort to trace the error was called for by the council on a motion by Alderman Partney. Beatty declined to request a detailed report from the levee district.

Council members agreed the city is responsible since it accepted the sewer line along with the subdivision. Chasmer Skubish added the Margeson family had been considerate in dealing with the city and contractor during the lengthy repair project and he decided to take the matter to court. Their yard, it was pointed out, was well kept and in excellent condition before the sewer break occurred.

Partney said either an engineer or the subdivider "made a mistake in setting the easement location and if we set this precedent, we'll have to follow it anytime we have trouble along this line."

It was estimated by Beatty that the miscalculated line crosses about 25 to 30 yards. He added that most easements are 10 feet wide, and similar conditions would be encountered in the yards along an easement since the heavy equipment needs 30 to 40 feet in width to operate.

Hit-Run Accident

Thomas McGee, 2001 Washington avenue, reported to police that the right side of his car was hit yesterday while parked on a lot at 20th street and a Washington.

Speeding Charge

Charged with speeding on Napevoki drive Monday at 9 p.m. was Ronald A. Hutchins, 24, of 725 Twenty-sixth street, who posted his driver's license as bond.

## Wolfe, Todd New

### Lichtenberger, Baker Re-elected By C. of C.

Paul H. Lichtenberger and Chester L. Baker were re-elected president and vice-president, respectively, of the Tri-Cities Chamber of Commerce at a board of directors dinner meeting held Tuesday at the Rose Bowl restaurant.

Newly-elected officers are M. Freeman Wolfe and Irby V. Todd. Wolfe will fill the post of another vice-president, and Todd replaces Arthur F. Buente as treasurer. All officers have one-year terms.

The state of officers was presented by Sam L. Meyer, chairman of the nominating committee, and was accepted unanimously by the 33 members present.

Rifle, Pistol Club Subject of Meeting

Organization of a Quad-Cities area senior rifle and pistol club will be studied at a meeting set for 8 p.m. Tuesday in the city hall, with all interested persons invited to attend.

James Adamson, spokesman for an organizational committee, said the new club would sponsor shooting of all kinds, including use of both high power and small bore rifles, pistols, and pellet guns. Memberships is open to all U. S. citizens of good repute 18 years of age or older, he said.

Adamson said the club would sponsor both indoor and outdoor shooting, and added that several outdoor locations are available. He said Police Chief Ray Wilbert has promised his support. Several members of the police department are qualified National Rifle Association instructors.

of the Granite City Trust & Savings Bank, will speak at the meeting, describing a recent visit to Camp Perry, O., scene of the national rifle championships. He also will describe the operation of a rifle club.

Adamson said once the club secures a charter from the National Association, it will be able to get rifles, pistols and ammunition from the government at no cost. Other members of the committee are Gabriel Gantcheff, George Reeves, and Leonard Law, all of Granite City, and Harry Johnson of Troy.

Thief Loots Machine At Service Station

William Weigel reported to police that his service station at 13th street and Edwardville road was entered Tuesday night. He said that the front door was forced open and the door to a downspout machine removed and the money taken from it.

Seven hubcaps were taken from three cars in a theft reported to police Monday by B. E. Moody Sales Co., 1508 Madison avenue.

## New SICL Officers Are Introduced; 2 From GC

Recently elected officers who will serve for a one-year term were introduced at a regular monthly meeting of the Southern Illinois Citizens League, held Tuesday night at the VFW hall in Collinsville. They included William Seler of Belleville, president, and vice presidents Mrs. Lily Chaboud and Mrs. Dorothy Ashford of Granite City.

Members discussed an appeal of the St. Louis city earnings tax, and were in accord that in the event of an unfavorable decision by Missouri courts the SICL would continue its appeal to the U. S. Supreme Court.

## Warriors Top WR Varsity, JV Harriers

Varsity and jayvee cross-country runners from Granite City high school engineered a sweep of distance events in a dual meet with Wood River here Tuesday afternoon.

Turning in times which were consistently under those recorded in time trials earlier this fall, the varsity harriers were 24-34 winners while the JV club ran to a 15-55 victory for Coach Dick Harmon.

Wood River's Ron Orr won the varsity meet with a time of 10:30 over the 1-1/2 mile course in Wilson Park. But GCHS runners took six of the next nine places.

**Improved Times**  
Larry Keel was second in 10:35, Larry Tolbert fourth in 10:43, Pat Harris fifth in 10:49, Larry Whitsett sixth in 10:54, Tom Vasiloff seventh in 10:56 and Allen Kennerly eighth in 10:57. None had previously broken 11 minutes in trials.

Frank Sorgia of Wood River finished third in 10:30. Others from GCHS among the top 20 were Don Sharp, 13th; Skip McMullan, 14th; Tom Moore, 17th; Charles Hayes, 18th; and Charles Pappe, 19th.

The Warrior junior varsity swept the first five places in its one-sided win. Winner of the event was George Brink in 11:14.

Dan Hordesky, Pat Kincaid, Carl Yates and Gene Sternberg finished second through fifth, in that order, and were clocked in 11:30 or better.

Also getting points for JCHS in the jayvee meet were Richard Hahn, 7th; Ken Ferro, 8th; Jim Proffitt, 9th; Mike Lasiter, 10th;

## Passing Attack Wins For GC Sophs, 28-18

Granite City's sophomore football club, striking through the air for three touchdowns in the second half, scored a 28-18 win in Collinsville Monday afternoon.

Quarterback Bob Karandjoff threw touchdown passes to Jim Parker, Charles Stevens and Jerry Nelson in the second half as Joe Fedora's team overcame a 12-6 halftime lead by the Little Kahoks.

Stevens tallied another TD when he picked off a Collinsville pass and returned it 35 yards. Joe Nemeth scored Granite City's only touchdown by rushing on a four-yard run in the third period.

Jim Nash and Karandjoff accounted for points after touchdowns, and Norman Wilfong downed the ball in the Collinsville end zone for a safety and two points to complete the GC scoring. Granite City's sophomores, now 1-1-1, are at home to Madison at 7 o'clock tonight.

## Fields Blanks Livingston In VHS Baseball Finale, 5-0

The Venice high school baseball squad closed its 1961 fall season with a victory Tuesday at Lee Park by stopping Livingston in an MBC conference game, 5-0.

Pete Fields threw a five-hit shutout at the visitors as Bill Ohlendorf's team hung up its spikes on the heels of a three-game winning streak. The Red Devils finished at 3-3 after losing their first three games.

Fields, a junior who pitched in all six Red Devil diamond contests this fall, contributed two hits to the 10 Venice collected. His batterymate, Don Devany, had a solo homer.

Jack Fields drove in two runs with a double and single, and Kenny McMullen and Bill Getz also had RBIs. Venice scored single runs in the third, fourth and sixth, and a pair crossed the plate in the fifth frame.

Ohlendorf, who said he hopes to schedule baseball again next spring, immediately turned his attention to the coming basketball season. Red Devil varsity candidates held their first practice yesterday afternoon.

## PREP PIGSKIN PICKS

The electronic jitters have overtaken Claude the computer, just as they did East St. Louis in its game with Alton last week. Claude, from his niche in the corner of the Press-Record newsroom, screamed "Upset!" late Friday night when the final Flyer-Redbird score was fed to him on tape.

His condition worsened rapidly as only seven of the 11 games on which he had voiced an opinion turned out as he had seen them. And, worst of all, he failed to predict victories for Granite City or Madison.

Players in the Trojan dressing room late Friday night actually yelled "Give us Claude!" after mauling Cahokia, and chances are the computer would have been badly beaten had he been there.

Unlabeled, Claude picks the winners (?) of 11 games again this week, and again sees GC and Madison as underdogs.

But, as a member of one of the local high school football coaching staffs said this week, "Make us underdogs again, it creates a psychological advantage."

## MHS Second In Harrier Triangular

Trojan George Russell, who is a starter on Madison's grid team, smashed the Bethalto 17-0, multiple cross-country course record Monday in a triangular meet by 22 seconds, only to finish second.

Bethalto's Dan Cathorall crossed the finish line just one step ahead of Russell and posted a time of 8:35 — a second faster than the Trojan harrier.

Madison's harriers, coached by Earl McClanahan, finished second in the meet, which was won by the host Eagles. Roxana placed third. Bethalto compiled 22 points, Madison 42 and Roxana 65 — low score wins in cross-country.

Running in their first meet of the year, Madison harriers placed as follows: Russell, second; Tal Fish and Tom Labak, tied for sixth; John Summers, eleventh, and Louis Leonard, sixteenth.

## MORE ABOUT GC Council Broaden

(Continued from Page 1)

Whitmer said, are those for the street department to compile records of where work is done, the manhours and equipment needed to determine cost factors, and for the sanitation department to consider a landfill operation at the dump to speed collection of garbage and trash without their being picked up by separate trucks.

"The committee wishes to emphasize," he concluded, "that no city official, either elected or appointed, nor any individual department, can set itself up and go on its way alone.

"The full cooperation of each individual and department with one another is essential. The results of working together makes for a smooth, efficient and economical city government."

Comment on the committee recommendation was brief as the council proceeded to other matters in a busy full-length session presided over by Senior Alderman Rufus LeMaster.

Alderman Steve Basarich stressed the council has not yet accepted the \$10,000 in its entirety, and that no phase of it should be undertaken unless voted upon by the council.

At the outset of presenting the recommendation, Whitmer emphasized that the committee was not assigned the task of investigating operations of the department. He said it was at his suggestion the committee was formed and was closed to the public to hold down confusion and to prevent wild rumors from spreading throughout the city.

can make lightly. On the one hand, the continued operation of the city, knowing that it will end up the fiscal year in debt, is not a pleasant thought. . . . and on the other hand, the termination of employees who have given us many years of faithful service is a decision that I alone will not make," he concluded.

## 3 Auto Passengers Hurt in Collision

Two northbound cars collided in the 2000 block of Washington avenue yesterday at 1:20 a. m. injuring three passengers in an auto driven by Mrs. Pauline A. Sutton, 40, who was charged by police with reckless driving.

Suffering minor injuries were Doris Byars, 23, her 16-month-old daughter, Julie T. Brown, and Mrs. Sutton's son, Randy, 11, all of 2028 Madison avenue. Mrs. Sutton lost control of her car after she applied her brakes and collided with the rear end of an auto driven by Leroy Tipton, 2047 Washington avenue, who escaped injury, police said.

## T. A. Sullivan Promoted By A. O. Smith Corp.

Thomas A. Sullivan has been promoted to the newly-created post of executive assistant to Urban T. Kuehne, group vice president of the A. O. Smith Corp., Milwaukee, Wis.

Prior to his new appointment, Sullivan was in charge of the re-organization and centralization of maintenance operations at A. O. Smith's Milwaukee works. For five years he was manager of the automotive division's frame plant at Granite City.

Kuehne also announced that S. Dwight Mills, who has been in charge of industrial engineering at the Milwaukee works, has been promoted to manager of industrial engineering and maintenance. L. M. Ueholz, who has been Mills' assistant, has been named manager of industrial relations, and R. J. Fiorina, who has been assistant plant superintendent at Granite City, will become assistant manager of industrial engineering at the Milwaukee works.

## Local Winners In Four- State Baton Contest

Two local girls won top awards in a National Baton Twirling Association contest held this week in St. Louis. They were Brenda Sorenson, 12, daughter of Mr. and Mrs. Clarence Sorenson, 4801 Kirkpatrick Homes, who won the "queen" trophy in competition with all girls.

At the outset of presenting the recommendation, Whitmer emphasized that the committee was not assigned the task of investigating operations of the department. He said it was at his suggestion the committee was formed and was closed to the public to hold down confusion and to prevent wild rumors from spreading throughout the city.

Other local winners in the four-state contest were Pam Orth, 12, of Delmar, 7th, Wayne avenue, who tied with Linda Ohms, 10, of Glen Carbon for first place in her age group.

## Trojan Sophomores Drop Third Straight But Score 3 TDs

Madison's sophomore gridirers broke into the scoring column for the first time this season Monday as they scored three times against Cahokia's Commodore team 28-20, 11-0, in their third setback in as many outings.

Trojan quarterback Gary Skinner scored twice on a 30-yard intercepted pass play and a 30-yard run play.

Madison's third score came on a 65-yard jaunt by Kerry Logan Skinner also accounted for two extra points, both on runs.

Trailing 26-0 at the half, Madison fought hard in the second half to overcome the margin. The Trojans scored all three touchdowns in the last quarter.

Comanche Quarterback Larry Shumake proved to be too much for the Trojans as he scored twice and threw for two more.

Madison Coach Bob Page praised Linemen Ted Nurnick and Bobby Clinton for their defensive play in the second half.

## Schiltz vs. Shop City IN SIBPA Saturday

The Southern Illinois Bowling Proprietors Association Classic league convenes on Shop City Bowl in East St. Louis for the sixth week of the season Saturday night.

Among the four matches beginning at 7 p. m. will be the Granite City Schiltz Beer-Shop City Bowl quintet match. Schiltz will be in fifth place with 1-8 mark, while the host club stands fourth with an 8-7 record.

Other first place winners of the Collinsville will roll against Flipstaff Beer of Alton, a team tied for second place with Ripley Pins of O'Fallon. Ripley rolls against seven-place Loran's Beer Shop of East St. Louis.

A match between sixth-place Cahokia Bowl and last-place Buick Bavarian of East Alton will round out Saturday's action.

## GAA 'Play Day' Is Saturday in Madison

Girl students from five area high schools will gather at Madison high school Saturday morning for an all-day Girls Athletic Association "Play Day," sanctioned by the Illinois High School Association.

Participating students, about 12 from each school, will come from Granite City, East St. Louis, Mascoutah, Dupu and the host high school.

The girls will engage in competitive indoor sports which are included on the GAA program, but will be so divided that each team will include representatives of all participating schools.

Mrs. Frances Merkelbach, girls' physical education instructor at Madison high school, will supervise the day's activities, which will begin at 9 a. m.

Also on Saturday, ninth grade girls at Coolidge Junior high school will host their counterparts from Prather JHS in a "play day" similar to the one being conducted for senior high school students.

## Mueller Is Appointed Racing Investigator

(Special from Springfield)

Milton (Mink) Mueller, 53, Highland, former Republican state senator, was appointed yesterday by Gov. Otto Kerner as a state investigator to determine the eligibility of colts for free-for-all racing and trotting races at the Illinois State Fair. It was disclosed today.

The governor's appointment is in compliance with legislation passed by the General Assembly to increase the number of investigators in the state agricultural department from one to two. The position pays \$7200 a year with an annual expense account limit of \$6000.

Mueller operates a dairy farm near Highland, but his post as investigator will be a full-time job. He was a state senator for two four-year terms (1949 and 1953), and before that served three terms in the Illinois house.

#### Madison Ave. Accident

An eastbound car, driven by Sandra L. Raub, 22, East St. Louis, leaving a parking lot in the 2300 block of Madison avenue, was involved in an accident with a southbound car, driven by Verna L. Wilkinson, 36, of 3188 Hill avenue, Monday at 6:55 p.m. Police reported the East St. Louis driver said she was motioned by a person in a car parked at the curb.

#### School Signal Bid Call

Bids are being sought by the city for installation of electric school crossing signals on Madison avenue at 29th street. The bids are to be in the office of Granite City Comptroller John Doshier by 3 p.m. Oct. 27.

#### Enrolled As Senior

Gerald L. Purcell, 1635 Sixth street, Madison, is enrolled as a senior at Central Methodist College, Fayette, Mo., and not as a freshman as was stated in Monday's Press-Record.

#### Madison Rotary Club Inducts Two Members

Two new members were inducted by the Madison Rotary club at its weekly luncheon meeting yesterday. They were Harvey Miller, Gateway Loan Co. manager, and James Clem, owner of Jim's Garage. Frank Fijan conducted the initiation. Leo Schermer and Larry Palkes led a discussion of the club's annual benefit smorgasbord, which has been set for Sunday, Nov. 12. Plans also were discussed for display of flags along Madison on Veterans' Day Nov. 11. President Fred Schmidt presided.

#### New Sidewalk On Benton Street Opposite Park

Installation of a new sidewalk on the west side of Benton street opposite Wilson Park was started this week and was adjusted to conform with the city's plans for the widening of Benton street to 34 feet from 27th street to Fehling road. The project is being carried out under contract.

#### Madison Display of New Social Security Data

The Madison public library, 1700 Fifth street, in cooperation with the Social Security office, has a display of all current free literature regarding new social security laws passed in August of this year.

Manager A. Ralph Brasher of the East St. Louis office said today that anyone interested in obtaining current literature regarding possible social security benefits should inquire at the Madison library and select what literature is desired.

Besides literature covering subjects such as disability, reduced benefits for men at age 62, and the new annual earnings test, there also are postcards which can be used to check one's social security account to see if the individual is being credited properly with his annual earnings of self-employment income. Anyone not able to visit the Madison library, may call or write the social security office in East St. Louis for any literature which is desired, Brasher said.

A social security field representative visits the city hall every Friday in Granite City to answer questions and take claims for social security or disability benefits. Those not able to contact the representative at the

#### Chiropractors Hold Executive Meeting

A monthly meeting of the Tri-Cities Licensed Chiropractic Physicians Association was held Tuesday evening in the offices of Dr. E. W. Walton, president. Other officers attending were Dr. W. B. Heidecke and Dr. J. R. Vasiloff. Problems pertaining to the profession were discussed at the meeting.

#### Vandals Strike House

James Spurgeon, 2557 Boyle avenue, reported to police at 6:15 p.m. Monday that while he and his family were away over the weekend, vandals soaked his windows, turned over his trash cans, paged tomatoes from his garden and threw them in his yard and poured or threw a bluish liquid over the door to his house.

city hall because of health or old age should call the district office in East St. Louis and make arrangements for a representative to contact them at their home.

**WELCOMING PARTY**

A welcoming party for the Methodist Youth Fellowship of the First Methodist Church of Madison was held Sunday afternoon at the church. Miss Janet Moore, president, presided over the program for the afternoon. "Price Above All," with members of the MYF taking part.

The theme was given by Miss Arleta Schleter, emblem colors were presented by Miss Linda Rash, and a special solo number, "Sweet Hour Of Prayer," was sung by Miss Sarah Lucas, followed by prayer. Responsive reading was given by Miss Karen Kosak, with the worship thought given by Miss Linda Blumenshott.

The MYF benediction was used for closing of the program, which was followed with a social time at which a number of new members were welcomed. Refreshments were served in the basement of the church from tables used to form a cross, topped with candles forming "MYF."

Twenty youths along with the leaders, Mrs. David Richardson and Rev. Russell Oden, pastor of the church, enjoyed the afternoon of fellowship.

**PAST NOBLES MEET**

### Fedorchak-Taylor Nuptials

Miss Paulette Taylor, a daughter of Mr. and Mrs. Sam F. Taylor, 2031 Beekwith avenue, Madison, became Mrs. William J. Fedorchak Jr. last night in a ceremony performed by Justice of the Peace Harry Hartman at the home of the bride's uncle and aunt, Mr. and Mrs. Winston McElroy, 13 Del Rio.

The service was read at 6 o'clock in the presence of the families and a reception followed for the wedding guests and a few close friends. Attendants were Miss Kay Ditch and Leon Taylor, a brother of the bride.

The bride wore a blue dress and blue accessories and carried a bouquet of white carnations. Miss Ditch was in a gray suit with a corsage of white flowers. The bridegroom, a son of Mr. and Mrs. William J. Fedorchak, st. Rural Route One, is an airman third class. He will leave next week for duty in Japan. The former Miss Taylor is employed at a St. Louis bank.

### Sunshiners Class Is Organized

"The Sunshiners" a new class of the intermediate department of Calvary Baptist Church was organized Tuesday evening in the home of Mrs. Wilma Herring, 2960 East 27th street.

The group, made up of 15-year-old girls, is in the second department and its officers include Linda Bradley, president; Linda Sexton, vice-president; Karen Harris and Kathy Belcher, secretaries; Sharon Lowe, reporter; and Donna Patterson, social chairman.

The meetings are to be held on the first Tuesday of each month, the next to take place with Mrs. Jane Smith, one of the teachers, on St. Clair avenue. Plans are underway for a Halloween party Oct. 30 in the Smith home. Eight attend the organization meeting.

### EMERSON PTA HOLDS EXECUTIVE MEETING

An executive meeting of the Emerson school PTA was held Tuesday evening in the conference room of First Granite City National Bank with Robert Rowland, president, in charge.

Plans were outlined for future PTA programs and to purchase tickets for all of the school Girl Scout leaders for the coming "leaders' appreciation" dinner. Preparations are also underway for the year books which are to be available at the next general meeting of the PTA will be held next Tuesday when the program will be on Civil Defense.

### Royal Service Meeting

A Royal Service meeting was held Monday evening at Calvary Baptist Church, 30th street and Washington avenue.

The program topic was "That Thy Way May Be Known in Malaysia and Indonesia." Members wore appropriate costumes and refreshments followed the theme.

Those taking part and the topics were Mrs. Viola Jones, "The Way To Malaysia"; Mrs. Lois Bivens, "The Way of Life on Java"; Mrs. Wanda Belcher, "The Way In Indonesia"; and Mrs. Pat Robinson, "The Way To Singapore."

Mrs. Mabel Turnbull, president, was in charge and plans were made for the Girls Auxiliary coronation Nov. 5 and for cottage prayer meetings before the coming revival. The group will also "adopt" a service man for the coming year. The dismissal prayer was by Mrs. Thelma Fitches. Twenty-one members attended.

### Select Name For Daughter

Kimberly Ann is the name given by Mr. and Mrs. Ralph McKinney, 2741 Dale avenue, to their daughter, born early this week at St. Elizabeth Hospital.

The infant weighed six pounds, two ounces. She has a sister, Leah.

### Returns From Hospital

Mrs. John Wilson, 2537 Lynch avenue, has returned to her home from St. Luke's Hospital, St. Louis, where she was a patient for ten days while recovering from major surgery.

ENGAGED, Miss Alice Vig, 504a Madison avenue, whose betrothal to Zigmund F. Konieczny, 1834 Edwards-ville road, is announced. The wedding of the couple will take place early in December.

### Miss Vig, Zigmund Konieczny Engaged

Announcement is made by Mrs. Marie Turner of North Troy, N. Y., and Mr. and Mrs. Albert C. Tolle of St. Louis, of the engagement of their sister, Miss Alice Vig, 504a Madison avenue, to Zigmund F. Konieczny, a son of Mr. and Mrs. Joseph Konieczny sr., 1834 Edwards-ville road. Miss Vig is a daughter of the late Mr. and Mrs. Sander Vig.

**850 Hear Alton Talk By Senator Dirksen**

Between 850 and 900 Republicans heard Sen. Everett M. Dirksen criticize the Kennedy administration and stress the value of a strong GOP representation in Congress as a "modifying" influence on the big spending programs of the "new frontier." In a talk Monday evening at Alton, Sen. Dirksen, who was introduced by State Rep. Ralph T. Smith of Alton, a former Quad-City man, was guest of honor at a dinner sponsored by the Alton District Women's Republican Club and attended by nearly 200 Quad-Cityans.

The people are bewildered and confused in the light of glowing and passionate promises made at a Democratic national convention last year," Dirksen said. "Now a complex of fear overtakes all things—a complex that we do not have during the Eisenhower administration."

Sen. Dirksen, who will run for re-election next year, said the White House credits the Kennedy administration with 33 major bills passed. "However," he added, "few were what President Kennedy wanted."

"The promises of the Kennedy administration can only be achieved out of the federal treasury, and if they fulfill them, it will jeopardize the solvency of our republic," the senator remarked.

**SUNBEAMS CHANGE NAME**

Dick Miller, Sunbeams of St. Louis Baptist Church met Tuesday afternoon for the first meeting of the church year. The group decided to change the name of the band to the Dr. Kathleen Jones Sunbeam Band in honor of Dr. Jones, a missionary doctor in Indonesia.

A study of Spain was begun. Spanish names and words were learned, and the group learned to sing "Jesus Loves Me" in Spanish. Mrs. Betty Lewis led prayer and told a story. Songs were sung, and prayer was given by Gary Lewis.

Others present were Denise Whitson, Linda Barrett, Larry Anderson, Glenda Wells, Nick Tooley, Frances Welty, Corby Burnett, David Freeman, Alan Newberry, Becky Frith, Jim and Leslie Lewis and visitors, Debbie Walker and Danny Bugg.

**FELLOWSHIP MEETS**

The Youth Fellowship of the Mount Zion General Baptist Church met Sunday night. The meeting was opened by songs led by Diana Hahn. Opening prayer was led by Pat Piper. Janet Ferguson gave the introduction to the program, and Eddie Ferguson gave a Bible quiz. Connie Bellamy presented Scripture reading and Bible quiz. Prayer was offered for missionaries, the church and youth group. The program was entitled "The Church and You."

Visitors for the evening were Larry Goodall, Mary Goodall, Norma Neely, Kathy Levar, Mike Levar and Connie Bellamy. Others attending were Kenneth Laurence, Glenda Laurence, Barbara Griffith and the sponsor, Mrs. Virginia Collins.

Newly chosen counselors of the Beginner Sunbeam Band were in charge of the group meeting Sunday at the Second Baptist Church. They are Mrs. Amy Toney and Mrs. Nadine Frith.

Sunbeams present were Gale Lewis, Carlo Lupardus, Teresa Penrod, Maxine Stubbsfield, Nancy Sanders, Kevin Scott, Vicki Velti, Lonnie Lupardus and a visitor, Debbie Wilburn.

### Madison Presbyterian Service

#### Bell Choir Dedication At Church Here Sunday

Handbell ringing will be introduced at the First Presbyterian Church of Madison, Third street and Ewing avenue, with a dedication service at 11 a.m. Sunday, it was announced today.

Mrs. Marion Lionberger of Madison has purchased a set of 25 English handbells for use by the church in development of a new music program.

She is training an eight-boy Junior high school bell choir to present a selection at the dedication service, and it is planned to develop several ringing groups.

**Guest Choirs**

Guest bell choirs at Sunday's service will be two groups from the John Knox Presbyterian Church, Florissant, Mo. — the Tintinaires, a group of high school girls; and the Rhega Bell Choir, composed of high school boys.

The visiting groups are under the direction of Mrs. Raymond Marlow, St. Louis county, regarded as one of the best-known bell choir directors in the Midwest.

The Madison church is the only church in this region of Illinois to begin bell ringing activity, it was learned from Rev. Howard L. Lucas, pastor.

**Second In Synod**

Nearest church to the local church which has bell choirs is the First Methodist Church of Springfield. The Madison church is only the second in the Presbyterian Synod of Illinois to institute bell ringing; the other is in Rockford.

Mrs. Lionberger has been named as director, assisted by Mrs. Eleanor Bonatt, Miss Irene Hackett, Mrs. Dorothy Cramer and Mrs. H. L. Lucas.

It is hoped to form a boys' choir, a girls' choir and probably a mixed group, Rev. Lucas reported.

"The activity is being offered primarily to children and young people. The groups will ring for the church Sunday school on occasions, and more regularly at the church worship service."

**Made In London**

The set of 25 bells was ordered July 6, 1959, from the White Chapel Bell Foundry in London, England, being received here a short time ago. White Chapel is one of the few bell foundries in the world.

Orders for such bells usually take from 18 months to two years to fill.

The Madison church's set has been named the "Joy Bells of White Chapel." The bells are to be dedicated to the glory and holy service of God.

### School Set Jan. 27 By Trades Council

Plans to conduct a one-day school for 100 to 150 members of labor unions were made last night at a meeting of the Tri-City Trades & Labor Council at the Labor Temple, attended by 72 delegates.

Edwin Reiske, president, said Prof. Jack Wann of the University of Illinois outlined the courses available, and a committee of the executive board was named to select topics and make a recommendation to the council.

The course will be conducted on Saturday, Jan. 27. Named to the topic selection committee were Roy Logan, Ernest Corbin, Fred Plehank and Ted Moran.

### Traffic Charge

David F. Holder, 33, of 925 Grand avenue, Madison, was arrested at 20th street and Madison street this morning on a charge of operating a motor vehicle without a driver's license. He posted \$16 cash bail.

**Henry**  
never had it  
**SO GOOD!**

King Henry VIII was renowned as a trencherman (Webster tells us this is a heavy eater), a real handy fellow with a knife or fork (or fingers). However, when winter descended on Merrie Olde England, poor Henry's diet was limited. No fresh green onions, no juicy grapefruit... no crisp, young celery, no cauliflower... and many other fruits and vegetables. Poor Hank!

Not so at Tri-City Groc. Co. in the year 1961! All fall and winter (spring and summer) our produce tables and refrigerated racks will have an abundance of the nation's fresh foods in wide variety, delivered DAILY-FRESH to all our stores. You'll say, "HENRY NEVER HAD IT SO GOOD!"

### MISS MOTT HONORED

#### AT BRIDAL SHOWER

Miss Mott was complimented with a bridal shower Sunday at the Kikpatrick-Homes hall, given by Mrs. Sam Shackelford, Mrs. William Mat and Mrs. Hubert Browning.

The decorations were in gold and white, and vases of yellow mums centered the tables. A bridal cake with a miniature bride and groom centered the table of the guest of honor, who received many gifts. Games were played and prizes were awarded.

Refreshments were served to Mrs. Lucille Cahill and daughter, Joyce, Mrs. Nelma Black and daughter, Sandy, Mrs. Mary Rawlings, Mrs. Joan Hinderback, Mrs. Margie McCleary, Mrs. Zella McCleary, Mrs. Dalene Williams, Mrs. Rose Mott, Mrs. Catherine Deland and daughters, Jean and Rose Marie, Miss Sarah Aldridge, Miss Peggy Grimes, Miss Alice Nosh, Miss Margie McGee, Mrs. Georgia Cocagne, Mrs. Vonda Collins, Miss Beverly Bittick, Mrs. Anna Mae Bittick, Mrs. Frank Hoppe, Mrs. Delores Mott, Mrs. Mary Phipps, Miss Doris Phipps, Mrs. Daisy Mott, Mrs. Ruby Miller, Mrs. Phyllis Polley, Mrs. Nancy Bernick, Mrs. Irma Bernick, Mrs. Darlene Shackelford, Mrs. Carol Vogel, Mrs. Virginia Poulas and daughter, Dena, Mrs. Hall, Miss Ann Hall, Mrs. Daisy Mott, Mrs. Maybelle Flynn, Mrs. Sharon Hawkins, Mrs. Nancy Gibson, Miss Karen McCleary and Mrs. Evelyn Mott, the honoree's mother.

Miss Mott will become the bride of William Hoppe Nov. 11.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel

Gettleman at her home. The Brownies celebrated their first birthday. They made party favors, and each had a cupcake with one candle.

The girls welcomed Kay Neiminger back to the troop and then went outside to learn new games and to sing.

#### AUXILIARY MEETING

The auxiliary of Armet Post 187 met Tuesday night and discussed a rummage sale to be held Oct. 21.

Those present were Etta Rutherford, Rocky Towers, Thelma Woods, Marie Freese, Betty Duncomb, Beatrice Dunham, Jerry Dowdy, Mary Dunham, Pearl Derossett and Ruth Schmidt.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker. The boys sang and Mrs. Walker told them about the theme of the month, "Sleepy Hollow Land." She is reading their story of "Legend of Sleepy Hollow."

The boys practiced physical fitness tests and played kickball. Refreshments were served to Leonard Walker, John Reilecke, Gregory Walker and Bobby Bunney.

Mr. and Mrs. Charles Pitts and children, Charles, Charlotte and Joyce Elaine, 4125 Lake drive, motored to southern Illinois over the weekend to visit his parents, Mr. and Mrs. Wally Pitts.

Mrs. Genevieve Dally, 4103 Lake drive, is a patient at St. Elizabeth Hospital due to a broken leg.

Patrol leaders and officers were elected to serve the rest of the school year. Carol Gilmore was elected leader of Patrol One, with Diane Glidewell as assistant, and Robin McCord leader for Patrol Two, with Terry Ellsworth as assistant.

The girls decided to work on child care and cooking badges, assisted by the parents, and to work as a group on the backyard campers' badge.

Refreshments were served to the above and Vickie Carver, Cynthia Whaling, Debbie Pirie and Phyllis Stotz.

Mr. and Mrs. David House, 2840 Edgewood avenue, are announcing the arrival of their first daughter, who has been named Mary Lee Katherine. She was born Sept. 29 at St. Elizabeth Hospital.

Den One of Cub Pack 122 of the Wilson school P.T.A. met Tuesday in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue. Baseball was enjoyed for activity, and the meeting was closed with the scout promise.

Refreshments were served to Billy Duckworth, Eddie Duke, Lon Weaver, Jerry Waller and guests Tommy Smith and Michael Ahrens.

Mrs. Clara DeBour entered Alton Memorial Hospital in Alton Sunday and underwent surgery Tuesday. Her condition is reported as good.

Mrs. Celeste Powell entertained with a come-as-you-are party Monday evening at her home. Games were played, and prizes awarded.

Refreshments were served to Mrs. Dallas Cummings, Mrs. Charles Miller, Miss Marie Miller, Mrs. Gladys Smith, Miss Phyllis Smith, Mrs. Bertha Hall and Mrs. Sherry Daigler.

### SUPPER, CHRISTMAS PLANS BY PTA BOARD

The executive board of the Webster school Parent-Teacher Association met Monday at the school.

The president, Mrs. Jo Ross, presided over the business session and read a letter from the P.T.A. Area Council concerning the annual aid program which Webster school has had for years.

Mrs. Juanita Pett and Mrs. June Luc were selected for a Christmas committee. They will select and purchase the trees and decide on the treat for the children.

Mrs. Lena Seitzer, membership chairman, announced that "open house" will be held in November, with special emphasis on increasing the P.T.A. membership. The room mothers will assist the class with the membership drive.

Gerald Luc reported on plans for a snack supper and "spook" carnival to be held on Oct. 13. Mrs. Thelma Mitchell was introduced as a greeter for the hospitality committee by the chairman, Mrs. Pat Pool.

The safety chairman, Mrs. Shirley Gitch, reported a need for crossing lights and more stop signs in the vicinity of the school. Mrs. Helen Sanagato discussed the need for a healthy committee.

The school principal, Clyde Lee, invited the above members and Mrs. Ada Avery, Mrs. Helen Frazier, Mrs. Eileen Tritschuh, Kenneth Cann, Mrs. Martha Ebrecht, Don Seitzer and Mrs. Doris Stotz to his home for refreshments.

Den One of Cub Pack 122 of the Wilson school P.T.A. met Tuesday in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue. Baseball was enjoyed for activity, and the meeting was closed with the scout promise.

Refreshments were served to Billy Duckworth, Eddie Duke, Lon Weaver, Jerry Waller and guests Tommy Smith and Michael Ahrens.

Mrs. Clara DeBour entered Alton Memorial Hospital in Alton Sunday and underwent surgery Tuesday. Her condition is reported as good.

Mrs. Celeste Powell entertained with a come-as-you-are party Monday evening at her home. Games were played, and prizes awarded.

Refreshments were served to Mrs. Dallas Cummings, Mrs. Charles Miller, Miss Marie Miller, Mrs. Gladys Smith, Miss Phyllis Smith, Mrs. Bertha Hall and Mrs. Sherry Daigler.

### MRS. ERNST HOSTESS

Mrs. Beulah Ernst was hostess to the Jolly Matrons club Tuesday in her home, 2000 Beckwith street.

Games were enjoyed, and prizes were awarded to Mrs. Helen Thiele, first, Mrs. Johanna Milovich, second, and Mrs. Florence Miller, third. Secret pals were revealed and new names were exchanged.

The hostess served refreshments to the prize winners and Madames Wagona Baker, Lot Ostresh, Della Murphy, Anna Mae Murphy, Margaret Pressnell, Mildred Werner, Margaret Grams and a guest, Mrs. Lucille King.

Mrs. Baker invited the club to her home, 2022 Park street, in two weeks.

### CLASS HOOB PARTY

The Married Young People of Calvary Baptist Church held a "hooby party" Monday evening at the home of Mrs. Ruth Hancock.

"Hooby stew" was served to Mr. and Mrs. Troy Connor and daughter, Jerree, Mr. and Mrs. Joe Robinson and children, Gayla and Joey, Mr. and Mrs. Newman Stafford and sons, Jeffrey, Gregory and Tim, Mr. and Mrs. Don Smith and children, Cheryl, Jeffrey and Patricia, Mr. and Mrs. Gorrell and daughters, Susan and Karen, Mr. and Mrs. Jim Hancock and daughters, Angela and Wanda, and Mrs. Bernice Snider and daughter, Dee and Jennifer.

### Guild Hears Talk By Mrs. Crouch

Mrs. Jo Crouch of the mental health clinic was guest speaker Monday evening at a monthly meeting of the Evening Guild of St. John United Church of Christ.

The meeting opened with the devotional service, the topic of which was "Unity And Personal Relations," led by Mrs. Joan Schindler. Mrs. Kathryn Wagner read the Scripture lesson.

Mrs. Judy Stille, president, was in charge and the members were reminded of the World Community Day program to be held Nov. 3 at the Madison Presbyterian Church. Dr. Allen Wehrli of Eden Seminary is to be the speaker. The special project for World Community Day this year is the making of school bags.

The officers and chairman of the Guild also were requested to attend the fall workshop in Troy Oct. 25, at 9:30 a. m.

The speaker was introduced by Mrs. Nae Gottfried, social action chairman, and discussed the various phases of treatment of mental ill.

Refreshments were served by a committee composed of Mrs. Georgia Stueby, Mrs. Marie Wille, Mrs. Thelma Sues and Mrs. Lulu Mills.

### Barracks 34, Auxiliary Meet

Barracks 34 of Veterans of World War I of the USA and the Auxiliary met Tuesday evening at the VFW hall with 60 members. The meeting was conducted by Jay Elliott, commander, and Mrs. Betty Hufel, president.

Mrs. Clara Conaway, hospital chairman, announced that a hospital party at Alton will be held Oct. 18. It also was announced that the Fourth District meeting will be held Oct. 29 at 1:30 p. m. at the VFW hall in Edwardsville.

Guests for the evening were Mrs. Barbara Summers, district president, and Mrs. Luella Bunt and Mrs. Pearl McReynolds, all of Wood River.

Following the meeting, a lunch was served. Mrs. Clara Redmond was chairman of the committee, being assisted by Mrs. Clara Elliott and Mrs. Carolyn Moser. Mrs. Moser will be chairman for the November meeting.

Miss Patricia Watkins, whose parents, Mr. and Mrs. Van Watkins, 2423 Madison avenue, are announcing her engagement to Michael D. Ashby, a son of Mr. and Mrs. William E. Ashby, 2032 Edison avenue.

### WCTU WILL HOLD MEETING

The October meeting of the Woman's Christian Temperance Union will be held at 7:30 p. m. Friday in the ladies lounge of Niedringhaus Memorial Methodist Church.

Mrs. Ben Willtrout, president, will serve as hostess to the group and devotions will be given by Mrs. Luther Turnbull.

### SORORITY PLANS WHITE ELEPHANT, RUMMAGE SALE

Plans for white elephant and rummage sales in November were made Monday evening during a meeting of Eta Chapter, Phi Tau Omega Sorority at the Elks Club.

Mrs. Georgia Waggoner, vice-president, presided, and Mrs. Harriet Horn won the evening's prize. Fifteen members attended.

A brief business session was conducted during the morning hours, with members adjourning for a covered dish luncheon at noon.

"That Thy Way May Be Known" was the title of the afternoon program under the direction of Mrs. Nelma Black, who was assisted in its presentation by several of the ladies, including Mrs. Ina LeGrand, Mrs.

Betty Clark, Mrs. Meriam Sheriff, Mrs. Eileen Badgett, Mrs. Izella Mahurin and Mrs. Helen Ham. Evening sessions will be resumed when the WMU next meets on Nov. 7.

### NAMEOKI PRESBYTERIAN WOMEN'S BOARD MEETS

The executive board of the United Presbyterian Women's Organization of Nameoki Presbyterian Church met in the educational building of the church Tuesday evening for a monthly planning meeting and short program.

Mrs. Lu Pyle offered the opening devotional, with Mrs. Louise Anderson, program chairman, leading a discussion and study session on "Goals For Giving." Business discussions followed.

### Sluice Gate Proposed At Horseshoe Lake

A recommendation for a sluice gate at Horseshoe Lake to replace a temporary outlet was proposed at last night's meeting of the Levee Board by the consulting engineer firm of H. W. Lochner, Inc.

The report was referred to the board's engineering committee for recommendation. The consultant said the gate would have a capacity to lower the lake level as much as a foot in a 48-hour period in case of flash flooding. Its cost was estimated at \$30,000.

Last night's session was recessed until 7:30 tonight when an anti-pollution proposal will be made to officials of all city surgery performed Tuesday.

### Continuing GC Steel Expansion Leaves No Need For St. Louis Mill

A Missouri-originated report recommending a steel mill on the St. Louis side of the river is not surprising in its expected parochial conclusion. But it would be easier to view it objectively if Granite City Steel Co. were not one of the fastest-growing basic steel producers in the nation, if it did not have modern equipment and highly efficient facilities and if it did not have plans for continuing expansion.

As the saying goes, what helps one portion of the metropolitan area helps the other portion. And what hurts one side hurts the other. Despite assured future gains in steel demand, a neighboring mill could hardly help but have an adverse effect on this community's and one of the bi-state region's leading employers.

### Air Raid Shelter Construction Remains A Difficult Decision

A local pastor's belief in the "obligation to live" is an interesting philosophy, and there is no question about the war-deterrent effect of home front preparedness. Yet the issue of building an air raid shelter remains an individual problem difficult to solve.

From a practical standpoint, there is the hard labor, cost or both; the fact that home owners move on an average of every five or six years; the fact that shelters would not withstand a direct burst; and the real question of whether any or all of the members of a family could reach the shelter in time. From a moral viewpoint, there is the issue of whether forcibly to prevent others from entering if their number would jeopardize the supply of food and air.

All such points would be swept away instantly if bombs were to begin dropping; the "haves" and "have-nots" on that day would be those who do or do not have access to shelter. We look for more local basement and underground shelters to be built, and only hope that military offense will not be made more powerful to offset the improved defense.

### Yearly Legislative Sessions Could Be An Improvement

Failing to obtain a raise in salary, Illinois legislators have hesitated to place annual sessions before the voters as a constitutional amendment. Yet there is growing belief that both they and the public would be better off with abbreviated yearly meetings, instead of biennial six-month sessions plus off-year special legislative calls more often than not.

An argument in favor of the change is that Illinois has become too large and has too many fast-changing problems to wait two years between opportunities for Senate and House action. The special sessions attest to this, but in themselves are not a solution because the agenda is limited to proposals by the governor, and a two-thirds majority is required.

Little action takes place in the first several months of the traditional six-month legislative periods, with a log-jam of bills near the end. If this wasted time could be eliminated through advance study of proposals, yearly sessions lasting about three months could prove to be a decided improvement.

### \$7300 Permits In Madison

Construction costing a total of \$7300 was authorized in Madison during September, when seven building permits were issued. Included in the list were aluminum siding and gutters for the home of Bill Bampton, 1832 Edwardsville road, \$1600; aluminum siding for the residence of Beatrice Clinton, 1741 Third street, \$1700; aluminum siding, storm windows and awnings for the residence of George Sikora, 1616 Third street, \$1400; and asbestos siding and general repairs for the home of Harold Fouts, 1601 Second street, \$800. Others receiving permits were Russell Wedler, concrete porch and driveway at 1654 Fourth street, \$1200; the Goddard, Maize families, repairs to upstairs, with painting and patching work at 1506 Third street, \$500; and Cleo Eller, replacement of steps and new siding at 1914 Edwardsville road, \$100.

### Mitchell Kiwanis Talk About Bantam Bowling

Jack Jackino, bowling alley proprietor, addressed the Mitchell Kiwanis Monday evening at their weekly dinner meeting at Smith's Cafe and discussed the possibility of starting a junior and senior bantam bowling league. Vice-President John Sands presided at the meeting in the absence of President Tom Smith, who was attending the state Kiwanis convention in Rockford. Nine members attended the meeting and the nomination committee turned in its recommendation for new officers. A board meeting followed the dinner.

### Parish Preparing For Future Population Gains To East

Purchase of an eight-and-a-half acre site at Mitchell assures the Quad-Cities of additional room to expand the existing system of Catholic schools and churches. While it has no immediate plans, the St. Elizabeth parish is now prepared to construct more facilities when its easternmost enrollment and congregation are sufficiently large.

This community steadily is building up to the north and east, and the day will not be far distant when the land between the river and Mitchell will form an unbroken line of urban growth. St. Elizabeth parishioners are ready for that day.

### Service Here During Income Tax Season Eases Loss Of Office

In a governmental system that eventually must be geared to what the public wants, widespread appeals to public officials for a service can never be insignificant. But the economy issue remains a prime consideration. An example is the unsuccessful effort to prevent closing of the Internal Revenue Service office in the Quad-Cities.

While it would be more convenient to have the office here year-round, fulfillment of the original promise of assigning agents to this area during the income tax filing period will solve the most acute problem. The pain of the departure has been partially eased.

### New Girl Scout Council To Bring Broader Program

Current national Girl Scout reorganization is intended primarily to expand use of the professional scouting staff and to aid isolated troops that have been receiving only mail help from the New York City headquarters, but there are expected to be gains locally from formation of the five-county River Bluffs Council next Dec. 6. Only major drawback will be lack of a local office, if this area is not chosen as the office site; total costs are reported as likely to approximate the amounts regularly contributed to the Girl Scouts by communities within the new council.

Training expansion and program changes are planned, and scouts will have access to troop camps in Prairietown, Edwardsville, Collinsville, East St. Louis and Belleville as well as the present camp near Glen Carbon. The council also will operate an established camp at Pere Marquette State Park and at least 15 day camps, and plans to develop the large campsites at Prairietown and Edwardsville into multiple-purpose camps capable of serving 100 to 200 girls at a time.

By the end of 1963, it is hoped that the entire nation will be covered by large Girl Scout councils providing services similar to River Bluffs. With the preparations made during the past year, the local area is well ahead of schedule.

A caution to be kept in mind is that the promise of fair cost distribution should be fulfilled. Although it might be simpler to rely on United Fund allocations from the larger communities, a proper share of contributions should be sought in each village and rural area every year.

An ignorant individual seeks only the facts that bolster his prejudices.

## Your Governor Reports by OTTO KERNER

As the state meets demands from its citizens for more services, as unemployment rises, and as other changes occur which reflect seasonal projects, so too does the number of persons employed by the state vary.

For this reason, it is impossible to establish a rigid number of people in state service. Total employees are subject to wide fluctuations, sharp increases and at times, decreases. I think the people of Illinois should know the reason for these fluctuations.

Experience shows a natural trend of personnel increase from the beginning of a calendar year through the summer and early fall months. For instance, at the end of July 1961, there were 2657 more on the payroll than on Jan. 1. In the previous year, 2918 were added from January through July. However, as seasonal or emergency employment ends, personnel needs decrease.

The monthly report of July 1961, showing personnel breakdown by departments showed that of 32 categories listed, 16 increased, 14 decreased and two remained unchanged from July 1960.

Four departments account for a majority of the total increase. The Department of Public Works and Buildings, a department particularly subject to seasonal change because of road projects, listed 9125 employees in July 1961. This is an increase from January of 1305. But the total was still 182 less than for the same period in 1960.

The Department of Agriculture had 135 more employees in July 1961, than for the same period last year. An act of the 1959 Assembly, creating a Division of Meat and Poultry Inspection, went into effect in the fall of 1960.

Another department which reflects seasonal trends is Conservation, when during the summer months, additional personnel are needed. Employees in July 1961 numbered 989, three less than last year for the same month.

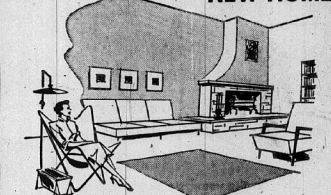

Government must adapt to the changing needs of the people who have given it power. It is my intention to meet these needs in as efficient and economical a manner as is humanly possible.

### Scout Camporee Will Begin Tomorrow Night

Competition in camping skills will take place at the 1961 Union Boy Scout district camporee tomorrow evening through Sunday morning at Beaver Dam State Park near Carlinville, reached by taking Highway 112 north from Edwardsville. About 300 Quad-City scouts are expected to participate.

Sites will be assigned and camps established early Friday evening, with all autos not remaining overnight to be removed by 9 p.m., in compliance with state park regulations.

Saturday's schedule calls for reveille at 6:30 a.m., breakfast, general assembly for a fishing derby at 9 a.m., lunch at noon, rotation of patrols between horseshoes, archery and "tag of war" from 2 to 3 p.m., fire by friction and a nature scavenger hunt from 3 to 4 p.m., campfire program review and scoring of campsites by the scoring committee from 4 to 5 p.m., retreat at 5 p.m., evening meal, campfire program from 8 to 9 p.m. and "Taps" at 10:30. Visitors will attend the campfire.

The Sunday plans include church services from 7 to 8 a.m., breakfast from 8 to 9 a.m. and closing of the camp after 9 a.m.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

### Hospital Course Features Physical Therapy Tonight

"The Nurse and the Physical Therapist" will be the subject of tonight's program in the continuing education series for nurses at St. Elizabeth Hospital. The program, which is open to all area nurses, will be held in the hospital cafe, with Miss Jackie Haug, physical therapist at the hospital, in charge.

The session will feature a mock ward conference between Miss Haug and several nurses designed to demonstrate how the nursing department and physical therapy department can work together in the modern hospital.

### Madison 'R' Club To Be Convention Host

The Madison "R" Club, Chapter 171, will serve as host to the 1961 Midwest District Convention of the Federated Russian Orthodox Clubs Friday through Sunday at the Chase-Park Plaza Hotel in St. Louis.

The board meeting will be called to order Friday by Theodore Greessky of Chicago, district governor. Saturday sessions will be welcomed by Vladimir Fyritzko, president of the host chapter, and a vesper service will be held with Fr. Peter Rozdelsky, of Gary, Ind., district spiritual advisor, officiating, assisted by Fr. Kiril Antonoff of Madison.

A banquet and dance will follow with William Livovsky of Campbell, O., national president of the organization, as guest speaker.

Entertainment will be provided by the "Little Cossacks," a group of dancers, directed by Mrs. John Fyritzko. The numbers will include "Sloboda Tamburitzas" and "Serbian Kolo Dancers." Joyce Tomich of St. Louis will be the vocalist.

Divine Liturgy will be held Sunday at the Nativity of Virgin Mary Eastern Orthodox Church in Madison with Fr. Antonoff officiating.

Luncheon will be served to members and guests in the church auditorium after the service.

### Excavations, Driveway Permits Ok'd By City

Approval was granted Monday night by Granite City council members for Illinois Power Co. to excavate along 19th street from Edison avenue a point near Grand avenue for installation of a gas main, and referred to the Public Works committee was a request for a 345-foot excavation in the alley west of Madison avenue south from 22nd street to install a gas main to replace one now under Madison avenue.

Also approved was a permit for Southwestern Bell Telephone Co. to excavate 78 feet on the east side of Monroe street at Air Products Corp. plant near 22nd street for installation of a three-inch duct.

Permission was given Illinois Power Co. subject to state highway department approval, for installation of a 22-foot driveway to serve its substation at 1838 Madison avenue; and for G. H. Sternberg & Co. to install a 22-foot driveway at 1920 Delmar avenue for the Granite City Trust & Savings Bank drive-up teller windows, subject to clarification that the driveway is to be used only for an exit.

# Warriors Hope To Accomplish Some Giant Killing Themselves in Alton

"Our big problem this week will be to get our feet back on the ground," Coach Ralph McClain of Alton was saying after his Redbirds had broken a 23-year drought last Friday night and sent perennial East St. Louis conference champion East St. Louis packing with a 13-0 defeat.

McClain, obviously still excited and elated over Alton's giant-killing tactics, went on: "The coaching staff's big topic of conversation when the boys came back to practice this week was just that. Whether or not we can settle down and play football again against Granite City."

Friday night's contest between the two clubs in Alton will go a long way in shaping the 1961 Southwestern conference race, with the winner probably taking over the driver's seat, at least temporarily.

## Both 1-0 In SWC

Both McClain and GCHS Coach Andy Sullivan were agreed on that point after turning SWC openers under their respective belts. The Warriors surprised some and impressed all here last week by turning away Collinsville 25-0 to join Alton and Edwardsville (a 19-13 winner over Wood River) among teams thus far unbeaten in the Southwestern loop.

While not one to discount Alton's showing against a fidgety and fumbling Flyer eleven, Sullivan passed out a quote of his own. "If we play good aggressive football we can win, regardless of what they (Alton) do or how they feel."

McClain, whose scouts at the

GC-Collinsville game brought back reports of the second-half effectiveness of a new "billy series" against the Rebels, said he expects Sullivan will "come up with something new again this week. He (Sullivan) makes for good football."

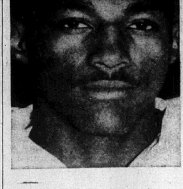

## Sullivan Man

As to the possibility of "something new," Sullivan wasn't talking this week.

"We will be working some on pass defense and on a way to stop (Don) Davis up the middle," he said.

The versatile Mr. Davis, a 195-pound fullback who "does everything well" according to McClain, is the Redbirds' leading rusher thus far (70 yards) in 19 carries against East St. Louis, and also does the team's punting and kicking.

"Sure, we got the early break against East St. Louis," McClain

KEN GRIGGS

By Press-Record Staff Photographer JOHN ONESKY

## Ken Griggs, John Onesky Selected As Back, Lineman of Week

Ken Griggs and a 200-pound sophomore substitute, John Onesky, have been named the Madison "Pick" Pickering.

Representative of Madison's explosive offense and air-tight defense against Cahokia, Griggs and Onesky led their team to the 20-0 romp over the Cahokians last Friday night in Madison.

By his sparkling play, Onesky who is listed on the team roster as a center, has been promoted to the Trojan first-team defensive unit. He will replace Wally Weidner at the left guard position. Weidner will start on offense.

With the addition of Onesky to the defensive unit, Pickering "beefed up" his lineup by 35 pounds.

## Forces Punt

Midway in the first quarter, Cahokia had its hands on the ball for the first time in the game.

Quarterback David Miller elected to pass on a third-and-six situation. Onesky shot the gap and punted Miller several yards behind the line of scrimmage. Cahokia was forced to punt on the next play.

At the opening of the third period, Cahokia had the ball on its own 48-yard line. With fourth-and-three, the Cahokians decided to punt. Trojan "Little Sam" Dymas partially blocked the boot and teammate Onesky caught the ball in mid-air and led to the ground with possession of the pigskin on the Madison 45—a seven-yard punt. Later in the same quarter, Onesky and Walt Cooper teamed together to throw the Cahokia ball carrier for an 11-yard loss.

## Overlooked Griggs

The Cahokians evidently forgot that Griggs was an all-conference halfback a year ago, because concrete in the Madison game was a 25-yard pickup. All other gains were of an eight-yard variety or lower.

Griggs, who never lost yardage all night, consistently was good for three or more yards per carry. The longest gain of the night for the flashy seabeach was a 25-yard pickup. All other gains were of an eight-yard variety or lower.

## Ed Petty, Sauget Run 1-2 In Grid Scoring Race

Ed Petty of Madison maintained his lead in the grid football scoring race by leading the Warriors to a 13-0 victory over the Rebels last Friday night.

The Trojan halfback scored one TD and an extra point in Madison's 20-0 win over Cahokia last Friday, and the PAT kept him ahead of Belleville Cathedral's Rich Sauget, who vaulted into contention with a 12-point afternoon against Valle of St. Genevieve Sunday. Sauget now has 20 points to his credit in three games; Petty has 31.

Area players who currently are among leaders in the scoring parade are:

## 'Both Ways' GCHS Players Pindell, Hoover Sparkled In Win Over Kahoks

"Often a bridesmaid but never a 'bride' until last weekend when he scored his first touchdown of the 1961 football campaign, Halfback Quentin Hoover has earned the players of the Granite City high school coaching staff again this week, as the outstanding backfield performer in the 25-0 win over Collinsville.

Also popping up again to grab "lineman of the week" honors as firmly as he latched on to Kahok ballcarriers is Guard Don Pindell.

Both seniors and lettermen, Hoover and Pindell also have the distinction of being the first two players to be cited for the second time by their coaches and with the season just one-third completed.

For the third week in succession, Hoover led all GCHS ball-toters in yards gained rushing, with 82. One was a 45-yard jaunt on a pichout from Quarterback Bill Lieman when Quar-

defense which resulted in Hoover's first score of the season and GC's first of the night Friday. He scooped up a Kahok fumble on the Collinsville 16 and returned it for a GC touchdown.

"He knew what to do with the ball when he picked it up," said Coach Andy Sullivan upon reviewing films of the play.

Pindell, a 204-pound guard who also plays both ways, led the Warriors in tackles for the second straight week. He "stayed in his hole" and picked up 13 tackles against Collinsville, also was singled out for excellent play against Collinsville. He picked up six tackles.

In four years, first baseman Joe Adcock of the Milwaukee Braves stole two bases from against the Cincinnati Reds, his former team, he stole two bases (on July 18) this summer.

# Trojans Invade Dupo's Tiger Lair; Once Again Have Underdog's Role

Acquiring much success while playing the part of the underdog, Madison's spirited Trojans find themselves on the short end of the "pre-game" score again tomorrow night as they invade Dupo for the second Midwestern Conference clash for both schools.

Still enjoying the savor of last week's 20-0 upset of Cahokia, Madison faces a veteran team as it enters Dupo's Tiger lair. Both squads are 1-0 in conference play.

Coached by Paul Taylor, Dupo will start nine lettermen against Coach Glen "Pick" Pickering's Trojans.

The Trojans won last year's contest, 14-0, in Madison and went on to finish in a tie for the conference crown with Roxana. Madison placed fourth in the conference.

Dupo has won two of three decisions this year. The Tigers captured the season opener with CBC of Quincy, 26-18, and then dropped a close one to a tough Belleville Cathedral squad the following week, 15-6. Last week the Trojans clawed Highland, 21-6.

Madison, which has been an underdog in all three of its games, sports a respectable 1-1-1 mark. The Trojans played Edwardsville to a 19-19 tie in their home opener, lost to Granite City 21-13 in an action-packed game, and romped over Cahokia last week.

## Led By Pratt

Tomorrow night's Trojan opponents are led by last year's second-team All-Conference Halfback Sonny Pratt. However, the powerful 190-pound Pratt has moved to the fullback position, while last year's All-Conference first team, with the switch, Dupo sports an all-letterman backfield, with Ronald Hamann calling signals and Rick Byerly and Barry Rideout running in the halfback positions. Rideout lettered as an end a year ago.

## Pratt's Defense

"I was very pleased with the defense against Cahokia," exclaimed Pickering. "There were a lot of individual mistakes, but the team seemed to cover for them."

Madison's mentor pointed out that his linemen had good pursuit on the ball carrier 25 night, with the exception of about five minutes in the third quarter when it looked like Cahokia might make a battle out of it after all.

"I promoted Sophomore John Onesky to the starting left guard position on defense. Onesky, a 200-pounder, was a stand-out in the Cahokia win."

Freeman, who played against Cahokia but did not feel well, missed school and practice Monday day with the flu. Pickering, however, indicated that he expected his starting right end to be in top physical condition by game time tomorrow night at 8.

No point showing the '62 Volkswagen. It still looks the same.

No heads will turn when you drive a '62 Volkswagen home. (An eagle-eyed neighbor may notice the taillights are a little bigger. But that's the only clue.) There are still no fins on our '62 model. No chrome trim. Everything is right where we left it in '61. Including the price: \$1688.

Die-hards may think we've stolen some of the sporting flavor from Volkswagen driving. But the get going may turn out to be more useful than you'd imagine. It will not only show whether your tank is E or F, it will prove you're driving a '62.

1962 may go down in VW history as the year of the big change.

### Rambler Models For 1962 Go On Display Tomorrow

The 1962 Rambler, Rambler American and Rambler Ambassador, with only minor styling changes but featuring functional revisions designed to provide higher quality, improved operation, added safety, reduced maintenance costs and longer car life, will go on display tomorrow at the Brewer Motor Co., 2163 Madison avenue.

The American, American Motor's biggest seller in 1961, will be recognized and distinguished from its 1961 counterpart by a new "floating" grille insert, with Custom and "400" models in the series having side and rear deck moldings.

The American line offers 12 models in the new Deluxe, Custom and "400" series, including two and four-door sedans and station wagons and a two-door convertible.

Five transmissions. In all, the consumer will have a choice of five transmissions in all American models, the widest choice in the industry, according to Joseph E. Brewer, president of the Brewer Motor Co.

Tandem brake master cylinders are standard equipment on all American Motors automobiles for 1962, as are self-adjusting brakes. Lubrication, oil change and drain and refill mileage recommendations for automatic transmission fluid have been increased for 1962. The cooling system drain period has been extended to once every 24 months or 24,000 miles.

As a new standard feature on all models, front seat belt attachment plates and rear seat belt locking indentations are being located.

#### CHURCH RALLY DAY

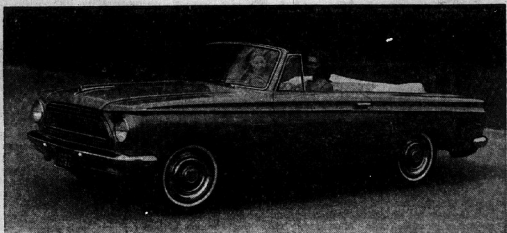

Cedar View General Baptist Church held "rally day" Sunday. The Sunday school has been divided into two departments, with the junior department now being conducted in the basement of the new parsonage, where classrooms have been provided. A basket dinner was served at noon, and a fellowship period followed.

Stallings grade school Parent-Teacher Association committee chairman, Eunice Wilkerson, ways and means committee; Harriet Bunselmeyer, room mothers; Lucille Thomason, spiritual life; Evelyn Ringering, membership; Florence Deatherage, health; Michael Mullins, by-laws; Principal Edward Blazek, publicity; Jacob Getteman and Donald Bunselmeyer, budget; Irene Karlechik, hospitality; Gloria Luehmann and Charles Bringer, safety; Edward Van Scoyk, PTA magazine; Betty Hamilton, savings stamps; Roger Bowler and George Wilson, AREA council delegates; Corrine Kreher, Girl Scout representative; and Donald Bunselmeyer, Cub Scout representative.

Mr. and Mrs. James Hoshlire, 3829 B street, had as guests Sunday her brother-in-law and sister, Mr. and Mrs. Leonard Shelton of Afton, Mo.

#### Scouting Nominations

Nominations are being accepted for 1961 Silver Beaver scouting awards of the Cahokia Mound Boy Scout Council. A Dec. 15 deadline has been set by the selection committee, appointed by Council President G. H. Sternberg, after which qualifications of nominees will be reviewed.

**FACELIFTED RAMBLER AMERICAN** for 1962, which will go on display at Brewer Motor Co., 2163 Madison avenue, tomorrow, features new "floating" grille insert. Self-adjusting brakes, dual master cylinders and a choice of five transmissions are new for 1962 in 12 models, including two and four-door sedans and station wagons and the two-door convertible shown above.

# GC Police Dept. Filling Needs of Community, At Present

(This is the first in a series of articles based on a reorganizational study of city government in Granite City by Southern Illinois University.)

A study of the Granite City department by the Southern Illinois University team of government experts first reviews the present organization, physical facilities and equipment.

"Basically, this is a good department, well established to meet the needs of the community," the STU study group reported.

"That it is doing a creditable job of meeting these needs will be shown in later sections of this paper. There are, however, some areas in which the department could be strengthened. Unchecked weaknesses will be increasing concern and will be increasing detriments to adequate police administration as the city grows."

**Planning For Growth**  
"Recommendations will be presented designed to strengthen present operations and to structure the department so it can be built on for future expanded activities."

"Granite City's police department totals 36 men and is headed by a chief who is appointed by the mayor with the confirmation of the council. He is responsible to the mayor and is the chief administrative officer of the department. It is through the chief that the department will develop its attitude and morale depending upon whether he is a forceful administrator or a person who tolerates the status quo."

"Directly under the chief are three divisions or functions of police activity—patrol, investigations and records. In charge of these three divisions are, respectively, the assistant chief, the chief of detectives and a patrolman record clerk."

"The assistant chief is in charge of the patrol division and

supervises the activities of the three shifts, two lieutenants and a captain. Each shift has a desk officer and patrolmen assigned to patrol in the squad cars and on motorcycles. The desk officer handles the telephone, radio and is responsible for the jail which is located in the area behind the desk.

**Investigation Division**  
"The investigation division is headed by the chief of detectives who is in charge of a detective sergeant and three detectives. The division conducts investigations of crimes and does some general patrol. It has one unmarked car. The detectives work different shifts from the rest of the department."

"The records division is under the direction of a patrolman who is responsible directly to the chief. All police records and files are the responsibility of this office, and the patrolman also keeps records of parking tickets and issues notices on unpaid tickets."

"The police department occupies the entire ground floor of the city hall. There is adequate space for the operation of the department in terms of square feet, but it is so poorly laid out that efficient administration is difficult."

"A large public lobby is wasted space. The chief's office opens off the lobby where anyone can walk in on him. A large outer office in the chief's suite is unnecessary and largely unused space."

"The police have a back door from the parking space in the alley through which they can bring prisoners directly into the jail area. Part of the detective quarters are used as an interrogation room and is equipped with a one-way glass window, but this is across the public lobby and the record room must be darkened in order that viewing of suspects may be accomplished."

"There is a garage for two cars which also will accommodate the three two-wheel and

two three-wheel motorcycles. The photography laboratory and the parking meter repair shop are no more than closets."

**Need New Headquarters**  
"The city is in need of a new headquarters not only to provide adequate room for the efficient operation of the police department, but to allow the expansion of other city activities into the offices now occupied by the police."

"It is recommended that the new police headquarters be located on the city lot adjacent to the new fire headquarters at Madison avenue and 23rd street. It is architecturally feasible to join the two buildings in such a way that they would have a common communications center."

**Suggested Design**  
"The new police station should be a separate entrance for the public and the police officers, public facilities, communications and record room adjacent to the desk officer at times when the record officer is not on duty, report writing, investigation and interrogation room with facilities for viewing of suspects, adequate storage for supplies and for recovered stolen items and evidence, adequate photography laboratory and meter repair shop, a conference room, or if funds are available, a training room and a locker room for policemen."

"Only a small garage is needed, because squad cars should be kept on the street most of the time. Squad car repairs should be handled at the city garage proposed in the public works section of this report."

**Bond Issue Recommended**  
"The new police station should be architecturally harmonious with the fire station but should be constructed as economically as possible, commensurate with the highest utility and durability. It would be most desirable if it could be financed from the proceeds of a general obligation

bond issue which also would include funds for a new fire station and an additional pumper for the fire department."

**Equipment of the Department**  
"The Granite City police department consists of five patrol cars, one of which is unmarked and is used by the investigations division. Three two-wheel motorcycles are used by the two parking meter officers."

"All of the cars and the three two-wheel cycles are radio equipped. The radio transmitting equipment is located in the department with the antenna on the roof of the city hall."

"The jail facilities, handling 18 male and four female prisoners, are generally adequate. Flunk cabinets and other equipment are fairly adequate but should be expanded as required by the recommendations on a record room."

**Additional Patrol Car**  
"The only major recommendation in equipment is that an additional patrol car be purchased so that the number of patrol cars can be increased."

"It is also strongly recommended that the use of the two-wheel motorcycles be discontinued. Although the department keeps no records of the extent of use of these vehicles, it is certain that they are not used with sufficient regularity to be of value. They cannot be used in winter or inclement weather, at night, nor do they serve as effective patrol vehicles. They also are more dangerous as evidence by the remarks of the men using them."

"The city is placing itself in a position of being responsible for payment for a higher incidence of injuries resulting from motorcycle or possibly for a higher premium for Workmen's Compensation insurance should the city take out this coverage as recommended elsewhere in this report."

**Parked Car Rolls From Lot, Hits Parked Car**  
A parked auto owned by Sgt. Johnny Mangham, 30, Engineer Depot, rolled northward out of a parking lot at 12th street and ran a vehicle, Madison, at 5 p.m. Monday, crossing a sidewalk and striking the left front door of the parked car of Edward M. Dew, 28, of 1151 Edgewood road.

Dew had angle-parked on 12th street, backing into the space and facing northwest. No damage was listed for the Mangham vehicle, Madison police said.

## Bids Under Study For Rail Removal, Nevada Ave. Sewer

Bids for track removal along 19th street and for a sanitary sewer installation in the 2200 block of Nevada avenue were referred to the Public Works committee Monday night by Granite City council members.

Chairman Samuel Whitmer pointed out both projects would cost more than estimates and that he did not favor any expenditures on projects until a caucus session is called by the mayor to determine the city's financial status.

Three bids were received for each project and for the 19th street trolley track removal with the right-of-way to be paved with concrete the proposals were \$13,344 by G. H. Sternberg & Co., \$13,589 by A. H. Seebold Co. and \$16,547 by General Contracting Co. The city proposes to remove the rails from State street to Cleveland blvd., a distance of three blocks.

The same firms bid the 650-foot sewer line installation, which also is to include a lift station. The prices submitted were \$24,935 by A. H. Seebold Co., \$25,977 by Sternberg and \$28,441 by General Contracting.

**Rites Held For Father Of Mrs. Henry Brisk**  
Funeral services were held at Indian Mound, Tenn., early this week for David R. Richardson, 64, who died last week in Nashville after a lingering illness. He was the father of Mrs. Henry Brisk of Granite City, who survives.

Burial was in an Indian Mound Cemetery. Mr. Richardson, who was a retired farmer, also is survived by his wife, Mrs. Lilla Richardson, and by one son and six other daughters. Another son, Maurice Richardson of Granite City, preceded him in death last year.

#### X-Rays Also Reveal Other Ailments

### Seven Active Tuberculosis Cases Are Found In County

A marked increase in the active cases of tuberculosis was discovered in Madison county by the mobile X-ray survey conducted by the Madison County Tuberculosis Association this year. With only four cases discovered last year, seven were reported in this year's findings.

Of the seven found to be active cases, three were in the 41-50 age group, two in the 19-30 group and one each in the 61-70 and 81 and over divisions.

One of the most significant and serious findings was that of various types of chest tumors, 22 being discovered on a county-wide basis, the annual survey report showed this week. Of the 22 cases, six were described as granuloma, one tuberculosis and as a pulmonary nodule, a county association spokesman explained.

**Visited 18 Plants**  
Total number of persons X-rayed was 20,801. The association's mobile unit visited 15 locations for the general public and 18 industrial plants.

A breakdown shows 12,272 industrial X-rays and 8,529 at the public stops of the unit.

Almost 700 chest pathologies were discovered in the county, and cardiac conditions accounted for the greatest number of findings with a total of 238.

**Lung Conditions**  
Abnormal lung conditions requiring medical attention ranked second with a total of 132.

A closer look at the results shows 143 cases of cardiac enlargement being discovered.

Breaking the figure down by age groups, the 61-70 span has the largest number of cases found—50. In order, the following age group totals were noted: 41-50—41 cases; 71-80—30 cases; 41-50—19 cases; 51-60—11 cases; 19-30—one case; and 81 and over—one case.

**599 Notified**  
The tuberculosis association already has notified 599 persons of chest abnormalities found by the survey suggesting that the individual contact his physician without delay. Of these, 297 were referred to hospitals of their choice for larger X-ray films, the expense of which was borne by the association.

Acceptance on the part of the general public is indicated by the 218 persons who already have taken advantage of the service by having larger films taken. The remaining persons have been sent reminders informing them of the need for larger films of their condition.

The chest X-rays, small and large, are provided without cost to the individual by funds raised in the annual Christmas Seal campaign. The campaign begins Nov. 13 this year. The Madison County Tuberculosis Association is not tax-supported, and the

### GC Relief Cost Study May Be Set This Week

Relief and town fund disbursements totaling \$9321 were approved Monday night by Granite City council members, and Finance Committee Chairman Paul Rutledge said a meeting possibly would be held this week with Supervisor Nelson Hagman to study mounting relief costs and disbursements.

Of the \$9321 total, \$8446 was for relief, including \$4004 for groceries, \$2896 for medical care, \$131 for clothing, \$35 for meal tickets, \$26 for utilities, \$159 paid to Nameoki township for relief aid, \$13 paid to Venice township for relief aid, \$75 for office rent, \$300 half-month salaries for two office workers, \$39 for employee retirement and \$37 for janitor service.

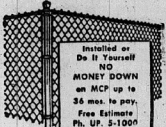

Town fund disbursements amounted to \$875 of which \$612 was for half-month salaries for the supervisor, assessor and assessor office clerk, \$75 rent for the assessor office, \$16 for janitor service at the assessor office and \$145 for employee retirement.

#### Annual Firefighters Dance Friday Evening

Annual fund-raising dance of the Granite City Firefighters will be held from 9 p.m. Friday until 1 a.m. at the Venice-Madison American Legion Post 307 hall, 740 Broadway, Venice.

Admission will be \$1 a person at the door, or tickets may be purchased in advance from members of the Granite City fire department. An orchestra will play for dancing, and entertainers will include Davey "Nose" Bold of St. Louis.

#### Couple Moves Here From Germany, Joins Daughter

Two residents of Germany who have lived under the rule of many countries in the past 30 years arrived in Granite City last week and expressed pleasure at finally finding a "haven of rest."

Mr. and Mrs. Johann Proskisch will make their home with their son-in-law and daughter, Mr. and Mrs. William Leslie, 4513 Vine street. The new arrivals had never before seen their grandchildren, Richard Leslie, seven, and Dorcas Leslie, five years old. The Leslies were married in Germany while he was in military service.

Thrilled and excited at the reunion with her parents, Mrs. Leslie explained that her father, at 83, is healthy and hopes to obtain light work. He as yet speaks no English. Her mother, Marie, at 62, is content to remain a housewife.

Coming here from Kirchgoens, West Germany, Mr. and Mrs. Proskisch departed Sept. 19 and arrived in New York City aboard the S. S. Bremen. They have sold their household goods, and will reside in a trailer adjacent to the Leslie home. Mr. and Mrs. Leslie drove to New York last week to meet them.

In relating some of their world war II experiences, the Proskischs, with Mrs. Leslie acting as interpreter, told of a friend being shot by Czechoslovakian police as he was bringing Austrian citizenship papers to them. They had hoped to leave Germany and go to Austria, where Proskisch was employed as a railroad worker.

When Russians overran their territory, they closed schools, placed refugees from Berlin in them, took over homes and required attendance at movies showing war atrocities, they related.

"Sent to a camp for a week, they were placed in a road boxcar with 30 other persons and were transported without food to Czechoslovakia, where they remained three days before being taken by train to West Germany. They have vivid recollections of the fleeing German army, the Russian army approaching from one direction and the American army from the other.

#### \$48,500 For Sewer Repairs

### Bills, Half-Month Salaries For City Total \$109,853

Half-month salaries and one week's bills totaling \$109,853 were approved Monday night by Granite City council members.

The salaries amounted to \$35,857, while bills totaled \$73,996, including \$9767 for sewer repairs on Terrace lane, \$38,815 for sewer repairs along 20th street, \$4187 for repairs to 18th street and \$13,660 for improvements along 12th street and Granite avenue.

A. H. Seebold Co. was paid the \$9767 for Terrace lane sewer repairs and \$4187 for work completed on track removal along 18th street between State street and Madison avenue; while G. H. Sternberg & Co. the \$13,660 for work on 12th street and Granite avenue.

The Indiana Granite Construction Co. received \$38,815 for the 20th street sewer repair work for the period Sept. 2-22 and also \$1800 for granite work to seal manholes along Terrace lane.

In connection with sewer maintenance, Delbert Lampher was paid \$183 for maintenance of lift stations, and an additional \$68 for work on parking meters. City Engineer David H. Johnson was paid \$472 for providing inspection and camera rental on the 20th street sewer repair project.

Maintenance and fuel for city equipment cost \$1086 for the one-week period; and the city paid \$1248 to Illinois Power Co. for street lighting and service to the Civil Defense building for September.

Allowances approved were \$1869 for Mayor Davis, \$30 for Alderwoman Mrs. Gabrielle Belne and \$42 to Civil Defense officials George Schumacher and Theodore Todoroff for attending a southern Illinois association meeting at Anna, Ill.

#### Automation Subject of SIU Business Meeting

Automation and its implications for business education and accounting will be the subject of the annual conference of the South West Area Business Education Association at Southern Illinois University's Alton Residence Center on Oct. 14.

Business teachers, school administrators and other interested persons in the area have been invited to attend.

Dr. Arthur E. Carlson, chairman of Washington University's accounting department, will be the featured speaker. He also will moderate a panel of data processing specialists who will discuss the implications of automation on business education and accounting.

Miss Donna Frost, SIU business division member and conference planning committee chairman, said the meeting will give educators an opportunity to communicate directly with men who are planning and directing operations and research for today's offices.

# City Plans To Widen Benton Street North of 27th Street

Widening of Benton street along Wilson Park from 27th street to Fehling road is planned by the city, and application was made Monday night by the council for a \$60,000 motor fuel tax allocation.

The resolution to the state highway department was unanimously approved and calls for widening the concrete pavement to 32 feet and construction of curbs and gutters.

Placed on file was notification from the state that the city's application for \$80,000 MFT for paving Johnson road from Carlson to Franklin avenue had been approved.

Also for Benton street, an ordinance extending the one-way northbound traffic restrictions from 24th street to 27th street was placed on first reading, and an ordinance requiring Benton street traffic to stop at 25th street was adopted.

**Points To Objections**

The one-way extension, which resulted in virtual dismantling of the Traffic committee, went on first reading by a vote of 8-to-5. Alderman Charles Meyer, former chairman of the Traffic committee, pointed out that a section of the street is in the Seventh Ward and objections had been voiced by residents along parallel streets.

He predicted confusion and traffic congestion at 27th and Benton streets, and to prevent a

department to keep records on which of the seven private tow firms are to be called.

Objectors said it would be better for the city not to be involved with a contract and the police department should maintain a chart, distributing the non-request service to firms on a monthly basis. With the tie votes, no set procedure was outlined, although it was indicated the department would follow a rotation system.

**Buy Fire Hose**

Authorization was given for purchase of 500 feet of 2 1/2-inch fire hose from Bi-Lateral Fire Hose Co., Chicago at a price of \$183 a foot—\$925. The hose is to be bought from street department funds, since the fire department recently gave 610 feet of hose to that department.

Answering a question by Alderman Edmund Bartosiak, who asked if bids had been sought, Fire Chief Elijah King and Comptroller John Doohier said the hose had been purchased from the Chicago firm for 15 years without any increase in price and no bids were sought.

Action was deferred on a long \$1612 bid for a pickup truck for the city inspection department to replace a 1956 auto which is out of service. The bid

**Boy Scout Office Will Be Open Monday Nights**

Beginning next week, the Cahokia Mound Boy Scout Council office will remain open on Monday evenings until 7:30 for transaction of business by scouts. Council Executive Eugene Cpe has announced. The office is located at 1338a Niedringhaus avenue, Granite City.

Effective Monday, Oct. 9, the office will be open from 8:30 a.m. to 7:30 p.m. each Monday and from 8:30 to 5 p.m. each Tuesday, Wednesday, Thursday and Friday. It will be closed on Saturdays.

was submitted by Brewer Motor Co. for an International truck costing \$1900, with a \$350 trade-in allowance for the auto. Sales tax would amount to \$62.

Alderman Samuel Whitner suggested the city should repair the auto to reduce expenditures, and two aldermen requested deferment.

Listed on the agenda but not reached before the 11 o'clock curfew were two ordinances—one setting a salary of \$625 for the city building inspector and the other creating the office of corporation counsel to provide the city with two part-time attorneys.

**Courses Starting For Cub Leaders, Mothers**

Daytime training for den mothers will begin next Wednesday, Oct. 11, in the Uniway Boy Scout district, if was announced today. Instruction will be given at the Carpenters' hall, 23rd

### Etude Club Hears Violin Duet

The Etude Music Club met Tuesday afternoon in the home of Mrs. Harold Dorries, 9 Riviera drive.

A dessert luncheon preceded the program which featured "Music Of England" in keeping with the season's study topic, "Music Of Other Lands."

Mrs. Ralph Z. Miller gave the narration, and the program numbers included a violin duet by Mr. and Mrs. E. A. Karandjoff, who played "Angel Voices" from the Sam Fox collection of sacred music, accompanied by Mrs. John Tate; another duet by the Karandjoffs, and two vocal solos by Mrs. Dorries, "Yesterday and Today" by Spross, and "Passing By" by Purcell.

The club voted to change the regular meeting dates to the third Tuesday of each month, instead of the first Tuesday. The next meeting on Nov. 21 will be with Mrs. George Holtzschner, 53 Riviera drive. Eleven attended Tuesday's meeting.

### Past Matron Club Holds Meeting

Mrs. Laural Purcell was hostess to the Past Matrons Club of Granite City, Monday evening at the Rose Bowl.

Mrs. Hannah Kleinschmidt, president, was in charge and 14 members were present. Games were enjoyed after the business hour and awards were made to Mrs. Blanche Leichter, Mrs. Virginia John and Mrs. Laura Reimers.

Refreshments were served and plans were made to meet in October with Mrs. Reimers.

### St. Peter Guilds Meet Jointly, Hear Missionary

A combined meeting of the Afternoon and Evening Guilds of St. Peter United Church, 22nd street and Cleveland blvd., was held Monday evening at the church with approximately 100 members of the two groups and several guests present.

A pot luck supper was served at 6 o'clock at tables attractively appointed. At either end were large cornucopias containing small gourds and autumn foliage and favors were smaller cornucopias holding firethorn berries.

The invocation was given by the pastor, Rev. Robert Baumann, and after a short prayer by Mrs. Marguerite Berger, president of the Evening Guild, Mrs. Iona Williams, missionary chairman of the Afternoon Guild, led the devotional service, assisted by Mrs. Ruth Koch with Mrs. Florence Hadaller at the piano.

The topic was "Mission of the Church in Service." The speaker of the evening was Mrs. Herbert Beckman, a missionary doing evangelistic work with her husband in the Sendai area of Japan the past ten years. Slides were shown by Mrs. Beckman in connection with the talk. The speaker is the daughter of Rev. Paul Frell, pastor of St. Mark's Church in Venice. Another prominent guest attending the meeting was Mrs. Jake Simon of St. Louis.

After the address, the two groups separated to hold business sessions with their presidents, Mrs. Berger, and Mrs. Lillian Saunier, in charge. The annual harvest home festival was announced for Sunday, Oct. 8, at the church and each member was asked to bring a gift of canned goods to be divided between the Holy Memorial Home in Alhambra and the Children's Home in Holytown, Ill. Mrs. Estelle Monks, spiritual life chairman of the afternoon group, reminded the members of the importance of thank offering boxes to be held at the November meeting of the Guild and the Madison First Aid Club. The Madison First Aid Club held an annual fish fry and pot luck dinner for members and their families this week at Lee Park.

Present were Mr. and Mrs. Harry Johnson, Mr. and Mrs. William Courtney, Richard Geppert, Miss Pat Shane, Miss Wanda Courtney, Mr. and Mrs. Clifford Duniphan and son, Mr. and Mrs. Tom Pulse and children, Euell Mann, Mrs. J. J. and Mrs. Albert Bae and family, Mr. and Mrs. Ernest Adams and grandchildren, Mr. and Mrs. Alvin Merry and granddaughter, Miss Carolyn Duniphan and Larry Lowe.

After dinner games were enjoyed by the group. Information to joining the club may be secured from Richard Geppert or Euell Mann.

### Fall Retreat And Presbyterian Scheduled For UP

The October meeting of the United Presbyterian Women of First United Presbyterian Church, 22nd street and Delmar avenue, was held Tuesday morning at the church.

The meeting, presided by a coffee hour with Circle Four as hostess group, opened with a hymn, followed by prayer and devotion by Mrs. Sam Meyer.

Mrs. George Holtzschner, president, was in charge and reports of the secretary and treasurer, Mrs. Walter Coolidge and Mrs. R. N. Johnson, were given as well as those of various committees. Mrs. Holtzschner called the attention of the members to the fall retreat for women to be held at the church Oct. 10 at 9 a.m. and also announced the fall Presbyterian meeting which will take place Oct. 13 at First United Presbyterian Church in East St. Louis.

The program for the day on the topic "Christian Education" was given by Mrs. Jack Malone, who presented an audio-visual Mr. Cook's Tour of Missions Fields in the USA.

The meeting closed with prayer by Mrs. David Maxton. Thirty-three were present, including two guests, Mrs. Jerry Jackson and Mrs. Edward Bleckner.

### Unit 113 Past Presidents Meet

The Past Presidents Club of the American Legion Auxiliary, Post 113, met Monday evening at the hall.

Mrs. Loretta Durbin conducted a brief business discussion and the remainder of the evening was spent at games with prizes going to Madeline Elia, McKittick, Hazel Odum, Carmen Toth, Winifred Costello, Alma Klaus, Emma Stainer, Edna Branscomb, Mary Breckinridge, Helen Slattery and Esther Harris. ## Distance Phone Dialing Explained To Rotarians

Direct distance telephone dialing, scheduled to begin here Oct. 15, was demonstrated at Tuesday's meeting of the Granite City Rotary club by George Maize, local manager of the Southwest Bell Telephone Co. and a member of the club.

Using a special board to explain how calls are routed to distant cities and abroad, he held two Rotarians make a simulated direct distance call. A card translator device also was used to show how call routings are selected.

The speaker traced the history of telephones, and the photo-translator was the key to development of distance dialing. He was introduced by President Edward Meng.

Plans for a dinner in conjunction with United Fund report Oct. 24 were discussed, along with further collection for the club's 1961 Horse Show.

## Economy Moves Stressed In Venice School Board Session

Convening an hour and 20 minutes late Monday night due to the absence of a quorum, the Venice school board employed two part-time custodians for the Lincoln school to replace two matrons who had resigned, and discussed economy in other actions.

The board hired Mrs. Edna Hout and Mrs. Irene Ruth Davis, both of whom will be employed during the evening hours at the Lincoln grade and high school buildings.

The board's regular meeting was delayed until 8:50 p. m., when Member Thomas Foley arrived to complete the necessary quorum of four members.

Abraham was Eugene Egan, Michael Leatherman and Leo Davin.

Authorized for payment were September bills totaling \$17,210. They included \$15,125 in the educational fund, \$1,647 in the building fund and \$438 in the transportation fund.

**Discuss Bills**  
Board members, in fact, board President Lester Salem called "an economy-minded session," requested and received detailed breakdowns on several bills before approving them for payment.

Chief among these were a \$791 payment for typewriter repairs and a \$260 bus repair bill.

Both were approved, but board members went on record as favoring the discontinuance of yearly inspections and repairs of all typewriters in the schools.

Foley said he favors professional repairs when they become necessary. "But our own custodians can do the regular maintenance at the end of the year and save considerable money," he added.

Still in an economy-minded mood, the board turned down Supt. John O. Pier's request for the purchase of an additional long carriage typewriter.

They also tabled his proposal for consideration of hiring an additional instructor for the first grade at Lincoln school, which has an enrollment of 51 students at present and is taught by one instructor.

A purchase request for 100 combination locks at \$1.85 each was approved. Twenty-five will be placed in use immediately at

Lincoln high school, with the remainder to be kept in reserve.

**Daily Attendance High**  
Supt. Pier reported that average daily attendance in the school system for September was "an unusually high" 96.15%.

The board approved purchase of 12 Venice high school year-books for 1961-62 from the VHS student council, and voted to give further consideration to the council's request for purchase of an automatic popcorn machine, to be financed partially with student council funds.

A treasurer's report showed a balance on Sept. 30 of \$12,225 in the activity fund. The district paid \$102 in September as its share of the Madison county guidance counseling program for the school year.

Two visits to the district's schools were made by counselors during September.

The board was asked to give consideration to a possible replacement teacher for Mrs. Jimmie Caviness, vocal music instructor in the Lincoln school, who has announced her intention to resign this month.

**Grand Opening Contest**  
**Winners Named By Store**

Contest winners have been announced in the grand opening of the Lady Minerva Candy store, 1341 Twentieth street, where three Granite Cityans submitting winning entries on "I like to shop in the Tri-Cities because

Mrs. Virginia Newman, Rural Route One, was awarded a portable radio for her winning entry.

For efficient service and prices low, Tri-Cities stores are the places to go. The clerks are friendly, courteous, too, all-day saving, serving you."

Second place award, a five-piece kitchenware set, went to Mrs. Gloria E. Moore, 3121 Davis avenue, who listed such advantages as banking, transportation, dependable merchandise, and variety.

Mrs. Alfred Schreiber Jr., 3242 Colgate place, won an electric percolator for her third place entry, which ended with the slogan, "I want to help keep our growing Tri-Cities going."

**Booked On Two Charges**  
Taken into custody in Granite City, Dan Apponyi, 41 of 6 Jones Park drive, Pontoon Beach, was charged by Venice police Monday afternoon with drunkenness and disorderly conduct. He was released on \$35 cash bond until a hearing Saturday morning.

## Reservations For B-I-A Banquet Top Former Years

Indications are that attendance at this year's Business-Industry-Agriculture dinner, sponsored by the Tri-Cities Chamber of Commerce, will reach an all time high, according to Howard W. Kaseberg, event chairman.

Kaseberg said 281 advance reservations have been made for the 16th annual dinner, which will be at the St. John United Church of Christ at 6:15 this evening. Previous high was reached last year when 233 persons attended.

Area farmers and their wives attended the annual dinner as guests of local business firms.

Speaker at tonight's dinner will be Dr. Louis B. Howard, dean of the University of Illinois College of Agriculture. Dr. Howard is scheduled to arrive at the Lakeside Airport in a university plane this afternoon.

Special guests at the dinner will include State Sen. James O. Monroe Jr., Collinsville; Rep. and Mrs. Lloyd "Curly" Harris, Granite City; Rep. and Mrs.

## Girl Scout Fund Drive To Open In Non-U-F Areas

To assure an equal cost distribution throughout the proposed new River Bluffs Girl Scout Council, a fund drive will be launched Thursday, Oct. 12, in areas not covered by United Fund or Community Chest solicitations.

Plans for the drive were made in Belleville this week at a meeting of the council development committee's finance group, headed by J. Paul Bedel of Belleville.

Initial targets of the campaign will be Jerseyville, Brighton, O'Fallon, Mascoutah, Freeburg, Millstadt, Marissa, Waterloo, Valmeyer and Columbia.

Plans also are being made for fund-raising in Collinsville and Highland.

The council includes Madison, St. Clair, Jersey and a Monroe

Ralph T. Smith, Alton; Madison County Farm Bureau President and Mrs. Charles C. Losch, East Alton; Madison County Farm Advisor and Mrs. Truman W. May, Edwardsville; and Illinois Agricultural Association Director and Mrs. Wilbert Engelke, Granite City.

counties and part of Macoupin county. It is to be chartered Jan. 1, and an organization meeting has been planned for Dec. 6. The area takes in 11,000 to 12,000 Girl Scouts in 750 troops, and the membership has been increasing at a rate of 100 a year.

Tentative operating budget has been set at \$106,200. About \$20,000 is expected to come from camp fees.

No funds raised locally to support councils are allocated to the national organization. The scouts and their families pay for all the direct services received from their participation, through national membership dues, troop dues, uniforms, insignias, camping fees and special activities.

## VA Guarantees Payment For Men On Active Duty

Premium payments and interest on commercial life insurance of Reservists and National Guardsmen called to active duty may be guaranteed by the Veterans Administration, Chicago VA regional office manager John B. Naser said today.

Naser said the protection applies only to policies which do not impose special premiums for military duties or clauses limiting benefits because of service, and must have been in effect at least 180 days before the owner went on active duty.

He said the protection, granted under provisions of the Soldiers and Sailors Civil Relief Act, is in reality a loan against the policy, and premiums and interest must eventually be repaid by the veteran.

The policyholder must apply for protection, he said, and the VA cannot guarantee more than \$10,000 in any one case.

## Council To View Film On Urban Renewal

With a study of urban renewal currently under way by the City Planning Commission, approval was given Monday night by the Granite City council members for a special film to be secured for viewing by the aldermen and the community.

Alderman Donald Partney, chairman of the council's Planning Committee, said the film, "Rebirth of a Nation," is available without cost to the city.

Partney said the film, produced by the Urban Renewal Associates, Inc., an urban renewal consultant firm, "The film outlines the process of the federal urban renewal program. A request for an R-4 residential classification for a present R-1 tract with a roadway off the 2100 block of Johnson road was received from E. R. and Dorothy Voss and referred to the Planning Commission. On Sept. 21, the commission had turned down an R-3 zone designation. Partney said the city also has received a petition signed by about 15 persons, objecting to the zone change. It also was referred to the commission."

Chairman Partney requested the council Finance committee and controller to arrange for a transfer of funds to the city planning account in accordance with the \$5000 allocation set up in the city's 1961-62 budget.

Partney explained the account has not been assigned funds and currently is listed as having a deficit on city financial reports. "We've only spent \$150 and we're shown as being \$150 in the red," he pointed out.

## Moore At Ill. United Churches Conference

John McCabe Moore of Granite City was one of 53 representing nine denominations at the 1961 leadership conference and retreat of Illinois United Churches ending early this week at East Bay Camp, Bloomington. Russell S. Bickton was elected as 1962 president, and the next annual meeting was set for the same location, 29-30, 1962.

Main speakers were Dr. J. Kenneth Kohler, national executive of the Churchmen's Brotherhood of the Evangelical and Reformed Church, on "The Ecumenical Christ" and "You Shall Be My Witnesses," and Dr. Gordon E. Michelson, president of MacMurray College, Jacksonville, on "Aspects of a Broad-Gauged Discipleship" and "God's Relentless Pursuit."

## 87th Congress Busiest Postwar Session—Price

The record of the first session of the 87th Congress was one of extraordinary activity, producing more affirmative legislation than any other session since the end of world war II. Cong. Melvin Price (D) said today.

Reviewing the record, Price listed action in many fields.

"A new farm program was put into effect and broad new approaches were made toward protection of city workers from the most damaging effects of the rise and fall of the business cycle."

Price cited the feed grains program and new omnibus farm bill, the agricultural field, and regard to jobless workers, pointed to a temporary unemployment compensation program and "the first steps toward meeting the basic problem of automation by setting up training and retraining program to equip workers with new skills."

"An unusually large number of major laws was passed in the area of public services, and substantial improvements were made in existing services," the 24th District congressman said.

"Accumulation of Needs" This was due in great part to an "accumulation of piled-up needs" left from the previous administration, he said, asserting that lengthy hearings had been held by House and Senate committees and that Congress had "been ready to pass" such bills for several years but had been blocked by "vetoes or the threat of vetoes."

Price told of increased funds to assist communities in cleaning up our polluted river systems, an omnibus housing bill, and that those former Pres. Eisenhower had vetoed, and an area redevelopment similar to that Eisenhower had twice vetoed.

"The new minimum wage law, the local Democrat said, raised the legal wage to \$1.25 an hour in interstate industry and expanded protections to "3,000,000 workers not previously covered," while putting the law into effect across a four-year period "to give business time to adjust."

"This was the first time since the original Fair Labor Standards Act of 1938," he emphasized, "that coverage under the law has been broadened by amendments rather than narrowed."

## Recovery From Recession

The Kennedy administration and the new Congress came into office, Price said, at a time of "sharp business recession," raising the unemployment rate to nearly 7% of the work force last December. Now there is substantial recovery from that recession, he said, "but it should be clearly understood that Congress and the administration have not been satisfied with any so-called recovery that leaves great pools of unemployment."

Impact of the Berlin crisis has raised the prospect of a \$5.3 billion budget deficit in this fiscal year, he said, but much of it is from "the \$5.3 billion in additional defense funds asked by Kennedy as a result of the Soviet pressure on free Berlin."

Another major cause, he said, is that the former president's Budget Bureau declined to acknowledge decreased revenues from corporation and personal income taxes as a result of the recession. Kennedy's estimates of revenue for 1961-62, he said, are \$14 billion lower than previously estimated. "All the programs Congress and the Administration have launched have been pursued with fiscal responsibility," he said.

"As business improves and the administration seeks to reduce the level of long-term and chronic joblessness, government revenues will rise again. The economy can carry the burden of our necessary defense establishment and sustain the high level of social services our people desire and deserve in a modern democracy," he declared.

Price said many projects affecting Madison and St. Clair counties were advanced during the session. These include nearly completed surveys for the East Side Levee and Sanitary district hillside drainage project; approval by the Budget Bureau of the Army Engineers and the Senate of the Kaskaskia River channelization project; appropriation of \$35,000 for construction planning of the New Athens flood wall; and final approval of the Hog River and Pig Creek project as part of the agricultural watershed program protecting the city of Mascoutah from flood.

## Alton Federal Court

He said the Kaskaskia program will receive final Congressional authorization as part of the East Side Levee and Sanitary district hillside drainage project scheduled for passage early next year. Congress also approved Cong. Price's proposal to hold sessions of the Federal Court for the Southern District of Illinois at Alton.

Price attributed the burst of legislative activity the newly-ended session of Congress to three factors: "the first time in six years 'the government was under the leadership of the same party in both the executive and legislative branches'; 'times were ripe' for action; the president showed 'vigorous and informed leadership.'"

"It seems to me that he has shown himself in harmony with the deep desire of the American

### New Taxes

He pointed to new taxes to finance broader social security benefits and new taxes to finance a step-up in the defense and interstate highway programs.

"As business improves and the administration seeks to reduce the level of long-term and chronic joblessness, government revenues will rise again. The economy can carry the burden of our necessary defense establishment and sustain the high level of social services our people desire and deserve in a modern democracy," he declared.

Congress also approved Cong. Price's proposal to hold sessions of the Federal Court for the Southern District of Illinois at Alton.

"It seems to me that he has shown himself in harmony with the deep desire of the American

people to break out of long post-war confusion and move boldly into a future that promises something better than a nightmare of nuclear destruction."

### Bipartisan Foreign Policy

Price paid tribute to the bipartisan spirit shown by Republicans in supporting the president in the Berlin crisis. He emphasized that "significant new steps were taken toward revision of our foreign economic aid programs — a revision that should help check abuses in these programs and make them more effective."

He listed as other achievements of the session:

"A start was made toward revising the tax system in the direction of greater equity and of business stimulation."

"A beginning was made — a vital beginning — toward rebuilding our armed services to provide the ground-force and tactical muscle to meet the sudden emergencies of Soviet Union pressure, limited war, dangerous explosions in corners of our world. Our Polaris submarine program has been accelerated so there now will be a full fleet in commission three years sooner than under previous plans."

Left over for action next year, he said, were a number of major programs. He named a school aid bill, health care for aged through social security, and major tax revision.

### Federal Impact School Aid

Twenty-one school districts in Madison and St. Clair counties will benefit from extension of legislation providing for finan-

cial aid to schools in federally impacted areas. Under Public Law 874, schools in these counties have received \$5,041,873 in the past two years for maintenance and operation, and under Public Law 815, for the same period, 10 schools have received \$3,754,157 for school construction.

The legislation to increase the number of federal judges throughout the country carried as an amendment a proposal offered by me as a bill in the House to provide for the holding of Federal Court at Alton, on Nov. 1, as a result of this legislation, a session of the federal court for the southern district will be held for the first time at Alton.

The Public Works Appropriations bill approved at the past session includes \$2,600,000 for levees in the East Side Levee and Sanitary district; \$1,400,000 for the Wood River Drainage and Levee district; and \$1,000,000 for completion of Dam No. 27 in the Mississippi River near the Chain of Rocks canal.

### CARD OF THANKS

THE FAMILY OF NORMAN CAMPBELL expresses sincere thanks for sympathy, floral offerings and other kindnesses shown at the loss of their loved one.

I WOULD LIKE TO THANK all the friends and relatives who were so very kind during the recent illness and death of my dear husband, WALTER MERCER. Especially for the prayers, those who visited, flowers or assisted in any kind of way.

MRS. EDITH MERCER.  
The WM. T. HALL family wishes to express our sincere gratitude for your kindness shown for the loss of our loved one.

May God Bless You. I thank and appreciate for the acts of kindness, messages, sympathy, beautiful floral offerings received from our many friends and relatives in our bereavement in the loss of our beloved husband and father, ARMON D. (BUCK) BUTTON. Special thanks to the Sedlack Funeral Home.

MRS. C. D. BUTTON,  
JIMMY AND SHARON,  
AND THE BUTTON FAMILY OF CORNING, ARK.

### IN MEMORIAM

In loving memory of MRS. CHAS. A. LYBARGER (Nannie E.), who passed away on October 8, 1960. Sadly missed by husband, sons, daughters, grandchildren, great-grandchildren, brother and all who loved her. The LYBARGER FAMILY.

In loving memory of RAY E. ROBINSON who passed away Oct. 4, 1960. There is someone who misses you, and finds the time long since you went.

There is someone who thinks of you always. And tries to be brave and content. Gone is the face we loved so dear. Silent the voice we loved to hear. 'Tis said but true, we wonder why. The best are always the first to die.

Sadly missed by WIFE, SONS and GRANDCHILDREN. HENRY HOOPENGARNER, Oct. 7, 1960. Loving memories never die. As your roll on and days pass by.

In our hearts a memory is kept. Of our loved one we'll never forget. Sadly missed by WIFE, DAUGHTER and GRANDSON.

NOTICE OF SALE OF Real Estate for Taxes or Special Assessments, and Notice of Filing Petition for Order to Issue Tax Deed.

TO: Zingo McNelly, Newport, Madison County, Illinois, and all unknown owners and persons, interested in said Real Estate.

You and each of you are hereby notified that on the 4th day of January, 1960, the County Court of Madison County, Illinois, entered a judgment and order of sale upon delinquent lands and lots, and fixed the correct amount of tax paid under protest in the County of Madison for the year 1958 and prior years; that the undersigned, as purchaser or assignee of the purchase, on the 11th day of January, 1960, at the sale ordered in said proceedings, purchased said lands and lots, and fixed the correct County Collector of said County amount of tax paid under protest.

You are aforesaid at the Court

House in the City of Edwardsville, in the County of Madison, and State of Illinois, purchased said delinquent land and lots for the taxes, interest, penalties and costs due and unpaid for the year 1958 and prior years. And that such delinquent lands and lots so purchased are more particularly described as follows:

East 42 feet of Lot 12 in Block 20, Newport, Venice Township, Madison County, State of Illinois.

Such real estate so purchased was last taxed in the name of Zingo & Robinson McNelly. The time for redemption of said real estate will expire on the 11th day of January, 1962.

On the 2nd day of October, 1961, the undersigned filed a petition in the County Court of Madison County, Illinois, in the name of the undersigned, in which the aforesaid judgment and order of sale were entered. Said petition prays that the court, enter an order directing the County Clerk to issue a tax deed to the undersigned if the real estate shall not be redeemed from the sale; and that the undersigned intends to make an application to the court on the 12th day of January, 1962, at the hour of 10 a.m. for an order on said petition that a deed issue to the undersigned if the real estate shall not be redeemed from the sale.

CHRIST A. GEROFF, Petitioner.
